Item 1.01 Entry into a Material Definitive Agreement.

On May 4, 2007, Natural Health Trends Corp. (the "Company") entered into a Stock and Warrant Purchase Agreement (U.S. Purchaser) with each of the following: Bradley Baker, Craig-Hallum Partners, George Broady, Gregory Olin, James Zavoral, John Flood, Kevin Harris, Raymond Xerri, Robert Evans and Wenge Yang.

Also on May 4, 2007, the Company entered into a Stock and Warrant Purchase Agreement (Non-U.S. Purchaser) with each of the following: Anthony Fierro, Cao Hui, Chief China Resources Ltd., Joanne Yan, Qian Xin Hui, Randal Matkaluk and Zhao Yan Tao.

Under the Stock and Warrant Purchase Agreements, the Company sold: (i) 1,759,307 shares (the "Shares") of its Series A Convertible Preferred Stock, par value \$0.001 per share (the "Preferred Stock"), at a purchase price of \$1.70 per share, and (ii) warrants (the "Warrants") representing the right to purchase 1,759,307 shares of its Common Stock, \$0.001 per share (the "Common Stock"), at a purchase price of \$0.00001 per underlying share. The gross proceeds from the sale of the Shares and the Warrants were approximately \$3.0 million.

The Preferred Stock is initially convertible into an equivalent number of shares of Common Stock. The Preferred Stock accrues cash dividends at the rate of 7% per annum, payable upon declaration by the Company's board of directors. The holders of Preferred Stock are generally entitled to vote together with the holders of Common Stock, provided that the holders of Preferred Stock will be entitled to separately select one candidate to be considered for nomination to the Company's board of directors. When voting with the holders of Common Stock, the holders of Preferred Stock will vote as if converted at market value on the date of issuance of the Preferred Stock. The Preferred Stock has a liquidation preference equal to the original purchase price of the Preferred Stock plus any accrued but unpaid dividends. The Warrants are exercisable at any time during the period beginning November 4, 2007 (six months after their issuance) and ending May 4, 2013 (six years after their issuance). The exercise price for the Warrants varies from \$3.80 to \$5.00 per share, depending on the time of exercise. In connection with the financing, the Company agreed, subject to certain terms and conditions, to exercise its reasonable best efforts to register for resale under the Securities Act of 1933 ("Securities Act") the shares of Common Stock issuable upon conversion of the Preferred Stock and exercise of the Warrants.

An affiliate of Chief China Resources Ltd. acted as placement agent on behalf of the Company in connection with the conduct of the offering outside of the United States. As partial consideration for rendering such placement agency services, the Company issued to such affiliate a warrant covering 300,000 shares of Common Stock on substantially the same terms as those set forth in the Warrants. Mr. Ken Wang, a principal of Chief China Resources Ltd., will in accordance with the terms of the Stock and Warrant Purchase Agreements and subject to evaluation by the Company's Nominating Committee, be the Preferred Stockholders' initial candidate to be considered for nomination to the Company's board of directors.

Item 3.02 Unregistered Sales of Equity Securities.

The disclosure set forth under Item 1.01 above is incorporated herein by this reference.

The sale of the Preferred Stock and Warrants was made to qualified U.S. purchasers in reliance on Regulation D under the Securities Act and to certain non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act. Neither the Preferred Stock nor the Warrants were registered under the Securities Act and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act and applicable state and foreign securities laws.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On May 4, 2007 the Company filed with the Secretary of State of the State of Delaware a Certificate of Designations, Rights and Preferences of the Series A Convertible Preferred Stock of the Company. For a description of the specific rights and preferences of the Preferred Stock, see the relevant disclosure set forth under Item 1.01 above, which disclosure is incorporated herein by this reference.

Item 8.01 Other Events.

On May 7, 2007, the Company issued a press release announcing the completion of the offering described in Item 1.01 above.

**CERTIFICATE OF DESIGNATIONS,
RIGHTS AND PREFERENCES
OF THE
SERIES A CONVERTIBLE PREFERRED STOCK OF
NATURAL HEALTH TRENDS CORP.**

Pursuant to Section 151 of the General
Corporation Law of the State of Delaware

Natural Health Trends Corp. (the “Corporation”), a corporation organized and existing under and by virtue of the provisions of the General Corporation Law of the State of Delaware (the “DGCL”), certifies as follows:

FIRST: The Certificate of Incorporation, as amended, of the Corporation authorizes the issuance of 5,000,000 shares of preferred stock, par value \$0.001 per share (the “Preferred Stock”), and further authorizes the Board of Directors of the Corporation, by resolution or resolutions, at any time and from time to time, to divide and establish any or all of the unissued shares of Preferred Stock not then allocated to any series of Preferred Stock, and, without limiting the generality of the foregoing, to fix and determine the designation of each such series, the number of shares that shall constitute such series and certain relative rights, preferences, privileges and restrictions of the shares of each series so established.

SECOND: The Board of Directors of the Corporation did duly adopt the following resolutions authorizing the creation and issuance of a series of such Preferred Stock to be known as Series A Convertible Preferred Stock:

RESOLVED, that the Board of Directors, pursuant to authority vested in it by the provisions of the Certificate of Incorporation, as amended, of the Corporation, hereby authorizes the issuance of up to 1,761,900 shares Series A Convertible Preferred Stock, par value \$0.001 per share (the “Series A Convertible Preferred Stock”), of the Corporation and hereby fixes the number, designations, powers, preferences, rights or privileges, and the qualifications, limitations or restrictions thereof, of such shares, in addition to those set forth in the Certificate of Incorporation of the Corporation as follows:

1. Number of Shares and Designation. The series of Preferred Stock shall be designated as Series A Convertible Preferred Stock and the number of shares that shall constitute

such series shall not be more than 1,761,900 shares (as adjusted for any stock splits, stock dividends, recapitalizations, reclassifications, combinations or similar transactions after the filing date hereof), which number may be decreased (but not below the number thereof then outstanding) from time to time by the Board of Directors of the Corporation.

2. Priority. The Series A Convertible Preferred Stock shall rank, in all respects, including the payment of dividends and upon liquidation, dissolution or winding up of the Corporation, senior and prior to the common stock, par value \$0.001 per share (the "Common Stock") of the Corporation and any other equity issued by the Corporation, including shares of Preferred Stock, that are not, expressly by their terms, made senior to or pari passu with the Series A Convertible Preferred Stock (collectively herein called the "Junior Securities").

3. Dividends.

(a) From and after the date of the issuance of any shares of Series A Convertible Preferred Stock, dividends at the rate per annum of \$0.119 per share shall accrue on such shares of Series A Convertible Preferred Stock (as adjusted for any stock splits, stock dividends, recapitalizations, reclassifications, combinations or similar transactions after the filing date hereof) (the "Accruing Dividends"). Accruing Dividends shall accrue from day to day, whether or not declared, and shall be cumulative; provided, however, that except as set forth in Section 4(a) below, the Corporation shall be under no obligation to pay such Accruing Dividends. If declared by the Board of Directors, Accruing Dividends shall be payable semi-annually in cash on the last day of June and December of each year (or if not a business day, the next succeeding business day) commencing June 30, 2007 (each, a "Dividend Payment Date" and the six-month period ending on each such Dividend Payment Date being hereinafter referred to as the "Semi-Annual Dividend Period"). If, on any Dividend Payment Date, the holders of the Series A Convertible Preferred Stock have not received the full dividends provided for in this Section 3(a) in cash, then such dividends shall cumulate, whether or not earned or declared, whether or not there are funds legally available for the payment thereof and whether or not restricted by the terms of any of the Corporation's indebtedness outstanding at any time.

(b) The Corporation shall not declare, pay or set aside any dividends on Junior Securities (other than dividends on shares of Common Stock payable in shares of Common Stock) unless (in addition to the obtaining of any consents required elsewhere in the Certificate of Incorporation) the holders of the Series A Convertible Preferred Stock then outstanding shall first receive, or simultaneously receive, a dividend on each outstanding share of Series A Convertible Preferred Stock in an amount at least equal to the greater of (i) the amount of the aggregate Accruing Dividends then accrued on such share of Series A Convertible Preferred Stock and not previously paid and (ii) (A) in the case of a dividend on Common Stock or any class or series of Junior Securities that is convertible into Common Stock, that dividend per share of Series A Convertible Preferred Stock as would equal the product of (1) the dividend payable on each share of such class or series determined, if applicable, as if all shares of such class or series had been converted into Common Stock and (2) the number of shares of Common Stock issuable upon conversion of a share of Series A Convertible Preferred Stock, in each case calculated on the record date for determination of holders entitled to receive such dividend or (B) in the case of a dividend on any class or series of Junior Securities that is not convertible into

Common Stock, at a rate per share of Series A Convertible Preferred Stock determined by (1) dividing the amount of the dividend payable on each share of such class or series of capital stock by the original issuance price of such class or series of capital stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization with respect to such class or series) and (2) multiplying such fraction by an amount equal to the Series A Original Issue Price (as defined below); provided that, if the Corporation declares, pays or sets aside, on the same date, a dividend on shares of more than one class or series of capital stock of the Corporation, the dividend payable to the holders of Series A Convertible Preferred Stock pursuant to this Section 3 shall be calculated based upon the dividend on the class or series of capital stock that would result in the highest Series A Convertible Preferred Stock dividend. The "Series A Original Issue Price" shall mean \$1.70 per share, subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization with respect to the Series A Convertible Preferred Stock.

4. Liquidation Preference.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, then, before any distribution or payment shall be made to the holders of any Junior Securities, the holders of the Series A Convertible Preferred Stock then outstanding shall be entitled to be paid in cash out of the assets of the Corporation available for distribution to its stockholders (on a pari passu basis with the holders of any series of Preferred Stock ranking on liquidation on a parity with the Series A Convertible Preferred Stock) an amount per share equal to the sum of the Series A Original Issue Price (as adjusted for any stock splits, stock dividends, recapitalizations, reclassifications, combinations or similar transactions after the filing date hereof) plus any Accruing Dividends accrued but unpaid thereon, whether or not declared, together with any other dividends declared but unpaid thereon (which amount is hereinafter referred to as the "Liquidation Preference"). If upon any liquidation, dissolution or winding up of the affairs of the Corporation, the assets of the Corporation are insufficient to pay the aggregate Liquidation Preference and the liquidation preference of any series of Preferred Stock ranking on liquidation on a parity with the Series A Convertible Preferred Stock, the holders of the Series A Convertible Preferred Stock and the holders of any series of Preferred Stock ranking on liquidation on a parity with the Series A Convertible Preferred Stock shall share ratably with one another in any such distribution or payment in proportion to the full amounts to which they would otherwise be respectively entitled before any distribution shall be made to the holders of the Junior Securities.

(b) Notwithstanding Section 4(a) above, if upon such liquidation, dissolution or winding up of the affairs of the Corporation, the holders of outstanding shares of Series A Convertible Preferred Stock would receive more than the aggregate amount to be received under Section 4(a) in the event all of their shares of Series A Convertible Preferred Stock were converted into shares of Common Stock pursuant to the provisions of Section 7(a) hereof immediately prior to such liquidation, dissolution or winding up of the affairs of the Corporation, and such shares of Common Stock received a liquidating distribution or distributions from the Corporation, then each holder of outstanding shares of Series A Convertible Preferred Stock in connection with such liquidation, dissolution or winding up of the affairs of the Corporation shall

be entitled to be paid in cash, in lieu of the payments described in the preceding paragraph, an amount per share of Series A Convertible Preferred Stock equal to such amount as would have been payable in respect of each share of Common Stock (including any fractions thereof) issuable upon conversion of such share of Series A Convertible Preferred Stock had such share of Series A Convertible Preferred Stock been so converted to Common Stock immediately prior to such liquidation, dissolution or winding up of the affairs of the Corporation pursuant to the provisions of Section 7(a) hereof.

(c) After payment of the Liquidation Preference shall have been made in full to the holders of the Series A Convertible Preferred Stock (and any liquidation preference is paid to any other series of Preferred Stock ranking on liquidation on a parity with the Series A Convertible Preferred Stock), the remaining assets of the Corporation shall be divided and distributed among the holders of the Junior Securities then outstanding.

(d) If the distribution provided for in Section 4(a) or 4(b) shall be payable in securities or property other than cash, the value of such distribution shall be the fair market value of such securities or property (as determined in good faith by the Board of Directors of the Corporation).

5. Voting Rights Generally. The holders of shares of Series A Convertible Preferred Stock shall be entitled to vote with the holders of the Common Stock, and with the holders of any other series of Preferred Stock the terms of which so provide, voting together as a single class, upon all matters submitted to a vote of stockholders of the Corporation, except as otherwise provided by law or by the other terms hereof. Each holder of shares of Series A Convertible Preferred Stock shall be entitled to the number of votes equal to the product (rounded down to the nearest number of whole shares) of 0.729 times the largest number of shares of Common Stock into which all shares of Series A Convertible Preferred Stock held of record by such holder could then be converted pursuant to Section 7 at the record date for the determination of the stockholders entitled to vote on such matters or, if no such record date is established, at the date such vote is taken or any written consent of stockholders is first executed. The holders of shares of Series A Convertible Preferred Stock shall be entitled to notice of any stockholders' meeting in accordance with the bylaws of the Corporation.

6. Voting Rights Relating to Series A Nominee. For so long as 879,654 shares of Series A Convertible Preferred Stock remain outstanding (as adjusted for any stock splits, stock dividends, recapitalizations, reclassifications, combinations or similar transactions) as of the record date for the Corporation's 2008 annual meeting of stockholders or, in subsequent years, as of the last date upon which stockholder proposals must be submitted to the Corporation for inclusion in the Corporation's annual proxy statement relating to the election of directors (as such date is determined pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934), the holders of a majority of the outstanding shares of Series A Convertible Preferred Stock shall be entitled to designate for nomination to the Board of Directors of the Corporation one individual (the "Series A Nominee") to serve as a director of the Corporation. In order to submit a Series A Nominee, the holders of Series A Convertible Preferred Stock shall submit to the Nominating Committee of the Board of Directors of the Corporation, on or prior to the record date for the Corporation's 2008 annual meeting of stockholders or, in subsequent years, the last

date upon which stockholder proposals must be submitted to the Corporation for inclusion in the Corporation's annual proxy statement relating to the election of directors, the name of the Series A Nominee, together with a resume or other written statement of the qualifications of the Series A Nominee and all information regarding the Series A Nominee that would be required to be disclosed in a proxy statement filed with the Securities and Exchange Commission if the Series A Nominee were nominated for election to the Board of Directors. If the Series A Nominee meets the criteria for board nomination set forth in the Corporation's Nominating Committee Charter, the Corporation shall cause such Series A Nominee to be included in the slate of nominees recommended by the Board of Directors to the Corporation's stockholders for election as directors, and the Corporation shall use its reasonable best effort to cause the election of the Series A Nominee as a director. As long as the holders of the Series A Convertible Preferred Stock continue to own in the aggregate not less than the number of shares of Series A Convertible Preferred Stock indicated above in this Section 6, and in the event that a Series A Nominee that has been elected as a director of the Corporation shall cease to serve as a director for any reason, the holders of a majority of the shares of the Series A Convertible Preferred Stock may designate a substitute Series A Nominee and the Corporation shall use its reasonable best efforts to cause any related vacancy to be filed by the Series A Nominee.

7. Conversion.

(a) Each share of Series A Convertible Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the Series A Original Issue Price by the Series A Conversion Price (as defined below) in effect at the time of conversion. The "Series A Conversion Price" shall initially be equal to \$1.70. Such initial Series A Conversion Price, and the rate at which shares of Series A Convertible Preferred Stock may be converted into shares of Common Stock, shall be subject to adjustment as provided below in Section 7(c). No fractional shares of Common Stock shall be issued upon conversion of shares of Series A Convertible Preferred Stock. Instead of any fractional shares of Common Stock that would otherwise be issued upon conversion of any shares of Series A Convertible Preferred Stock, the Corporation shall make a cash payment in an amount equal to the percentage of a share of Common Stock otherwise issuable based upon the fair market value of the Common Stock (as determined in good faith by the Board of Directors of the Corporation) on the Conversion Date (as defined below). From and after the Conversion Date, any and all rights of the holder of the Series A Convertible Preferred Stock so converted, except the right to receive a certificate or certificates representing that number of shares of Common Stock to which it is entitled upon such conversion (and a cash payment for any fractional shares), shall cease with respect to such shares of Series A Convertible Preferred Stock, and such shares of Series A Convertible Preferred Stock shall not thereafter be transferred on the books of the Corporation or be deemed outstanding for any purpose whatsoever. Notwithstanding the foregoing, no share of Series A Convertible Preferred Stock shall be convertible to the extent that such conversion, when aggregated with any shares of Common Stock then beneficially owned by the holder of such share of Series A Convertible Preferred Stock (as beneficial ownership is determined pursuant to Section 13d of the Securities Exchange Act of 1934, as amended), would result in a "change of control" of the Corporation within the meaning of Nasdaq Marketplace Rule 4350(i)(1)(B) (unless any such

change of control is approved by the Corporation's stockholders in compliance with applicable Nasdaq Marketplace Rules)).

(b) Except as otherwise provided in Section 7(h) below with respect to mandatory conversion, in order to voluntarily convert shares of Series A Convertible Preferred Stock into shares of Common Stock, a holder shall surrender the certificate or certificates evidencing the shares of Series A Convertible Preferred Stock to be converted (or, if lost, stolen or destroyed, a lost certificate affidavit) duly endorsed to the Corporation or in blank (or accompanied by duly executed stock powers related thereto), at the executive office of the Corporation, or such other place as may be reasonably designated by the Corporation, together with written notice that such holder elects to convert all or any number of the shares of Series A Convertible Preferred Stock represented by such certificate or certificates. Such notice shall state such holder's name or the names of the nominees in which such holder wishes the certificate or certificates of Common Stock to be issued. The close of business on the date of receipt by the Corporation (or by such other place as designated by the Corporation) of such certificates (or lost certificate affidavit) and notice shall be the "Conversion Date." As soon as practicable, but in any event within five (5) days, after the Conversion Date, the Corporation shall deliver a certificate for the number of full shares of Common Stock issuable upon the conversion, a new certificate representing the unconverted portion, if any, of the shares of Series A Convertible Preferred Stock represented by the certificate or certificates surrendered for conversion and cash in lieu of any fraction of a share of Common Stock otherwise issuable upon such conversion and payment of any declared and unpaid dividends (but not any undeclared Accruing Dividends) on the shares of Series A Convertible Preferred Stock converted. The person in whose name the certificate is registered shall become a stockholder of record of Common Stock on the Conversion Date.

(c) The Conversion Price in effect at any time shall be subject to adjustment as follows:

(i) Adjustment for Stock Splits and Combinations. If the Corporation shall at any time or from time to time after the date on which the first share of Series A Convertible Preferred Stock was issued (the "Series A Original Issue Date") effect a subdivision of the outstanding Common Stock, the Series A Conversion Price in effect immediately before that subdivision shall be proportionately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase in the aggregate number of shares of Common Stock outstanding. If the Corporation shall at any time or from time to time after the Series A Original Issue Date combine the outstanding shares of Common Stock, the Series A Conversion Price in effect immediately before the combination shall be proportionately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in the aggregate number of shares of Common Stock outstanding. Any adjustment under this subsection shall become effective at the close of business on the date the subdivision or combination becomes effective.

(ii) Adjustment for Certain Dividends and Distributions. In the event the Corporation at any time or from time to time after the Series A Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable on the Common Stock in additional shares of Common Stock, then and in each such event the Series A Conversion Price in effect immediately before such event shall be decreased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the close of business on such record date, by multiplying the Series A Conversion Price then in effect by a fraction:

- (1) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date, and
- (2) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution.

Notwithstanding the foregoing, (A) if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Series A Conversion Price shall be recomputed accordingly as of the close of business on such record date and thereafter the Series A Conversion Price shall be adjusted pursuant to this subsection as of the time of actual payment of such dividends or distributions; and (B) that no such adjustment shall be made if the holders of Series A Convertible Preferred Stock simultaneously receive a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock as they would have received if all outstanding shares of Series A Convertible Preferred Stock had been converted into Common Stock on the date of such event.

(iii) Adjustments for Other Dividends and Distributions. In the event the Corporation at any time or from time to time after the Series A Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Corporation (other than a distribution of shares of Common Stock in respect of outstanding shares of Common Stock) or in other property and the provisions of Section 3 do not apply to such dividend or distribution, then and in each such event the holders of Series A Convertible Preferred Stock shall receive, simultaneously with the distribution to the holders of Common Stock, a dividend or other distribution of such securities or other property in an amount equal to the amount of such securities or other property as they would have

received if all outstanding shares of Series A Convertible Preferred Stock had been converted into Common Stock on the date of such event.

(iv) Adjustment for Merger or Reorganization, etc. If there shall occur any reorganization, recapitalization, reclassification, consolidation or merger involving the Corporation in which the Common Stock (but not the Series A Convertible Preferred Stock) is converted into or exchanged for securities, cash or other property (other than a transaction covered by Sections 7(c)(ii) or 7(c)(iii)), then, following any such reorganization, recapitalization, reclassification, consolidation or merger, each share of Series A Convertible Preferred Stock shall thereafter be convertible in lieu of the Common Stock into which it was convertible prior to such event into the kind and amount of securities, cash or other property which a holder of the number of shares of Common Stock of the Corporation issuable upon conversion of one share of Series A Convertible Preferred Stock immediately prior to such reorganization, recapitalization, reclassification, consolidation or merger would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors of the Corporation) shall be made in the application of the provisions in this Section 7 with respect to the rights and interests thereafter of the holders of the Series A Convertible Preferred Stock, to the end that the provisions set forth in this Section 7 (including provisions with respect to changes in and other adjustments of the Series A Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of the Series A Convertible Preferred Stock.

(v) Notice of Adjustment. Upon the adjustment or readjustment of the Series A Conversion Price, the Corporation shall promptly mail to all holders of shares of Series A Convertible Preferred Stock a notice of adjustment. Such notice shall be accompanied by (1) a certificate briefly stating the facts requiring the adjustment and the manner of computing it and (2) a certificate of the Chairman of the Board, the President or a Vice President of the Corporation certifying that the adjustment is correct.

(vi) Notice of Certain Transactions. If (1) the Corporation takes any action that would require an adjustment in the Series A Conversion Price pursuant to any subparagraph of this Section 7(c) or (2) there is a liquidation or dissolution of the Corporation, the Corporation shall mail to all holders of Series A Convertible Preferred Stock a notice stating the proposed record date for a dividend or distribution or the proposed effective date of a subdivision, combination, issuance, reclassification, recapitalization, consolidation, merger, transfer, lease, liquidation or dissolution. The Corporation shall mail such notice at least 15 days prior to the record date or effective date for the event specified in the notice. Failure to mail the notice or any defect in it shall not affect the validity of the transaction.

(d) The issuance of certificates for shares of Common Stock upon the conversion of shares of Series A Convertible Preferred shall be made without charge to the converting stockholders for such certificates or for any tax in respect of the issuance of such certificates; provided, however, that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name other than that of the holder of the shares so converted and the Corporation shall not be required to issue or deliver any such certificate unless and until the person or persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid; and provided, further, that the Corporation shall not be required to pay or reimburse the stockholders for any income tax payable by such stockholders as a result of such issuance.

(e) The Corporation shall at all times when the Series A Convertible Preferred Stock shall be outstanding, reserve and keep available out of its authorized but unissued Common Stock, solely for the purpose of effecting the conversion of the shares of Series A Convertible Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Series A Convertible Preferred Stock. If at any time the number of authorized but unissued shares of Common Stock is not sufficient to effect the conversion of all shares of Series A Convertible Preferred Stock then outstanding, the Corporation shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to the Certificate of Incorporation.

(f) For purposes of this Section 7, the term "Common Stock" means shares now or hereafter authorized of any class of common stock of the Corporation and any other stock of the Corporation, however designated, that has the right (subject to any prior rights of any series of Preferred Stock) to participate in any distribution of the assets or earnings of the Corporation without limit as to per share amount.

(g) In the event that, at any time, as a result of an adjustment made pursuant to Section 7(c) hereof, the holder of any Series A Convertible Preferred Stock thereafter surrendered for conversion shall become entitled to receive any shares of capital stock of the Corporation other than shares of Common Stock (or other securities or property), the number of such shares (or other securities or property) so receivable upon conversion of any Series A Convertible Preferred Stock shall be subject to adjustment from time to time, as determined by the Board of Directors, in a manner and on terms as nearly equivalent as practicable to the provisions with respect to Common Stock contained in Sections 7(a) to 7(f) and the provisions of such Sections 7(a) to 7(f) shall apply on like terms to any other shares of capital stock (or other securities or property).

(h) Except with respect to any shares of Series A Convertible Preferred Stock that are not convertible pursuant to the final sentence of Section 7(a) hereof, each share of Series A Convertible Preferred Stock shall automatically be converted, without payment of any additional consideration, into fully paid and nonassessable shares of Common Stock at the then

effective conversion rate immediately upon such date as the average closing price of the Common Stock over a consecutive, trailing 6-month period, as reported on the Nasdaq Global Market (or any successor exchange or other market on which the Common Stock is then traded), equals or exceeds U.S. \$10.00 per share (as adjusted for any Stock splits, stock dividends, recapitalizations, reclassifications, combinations or similar transactions) (a "Mandatory Conversion Event"). Upon the occurrence of a Mandatory Conversion Event, all outstanding shares of Series A Convertible Preferred Stock shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent. All holders of record of shares of Series A Convertible Preferred Stock shall be sent written notice of the Mandatory Conversion Event and the place designated for mandatory conversion pursuant to this Section 7(h). Such notice need not be sent in advance of the occurrence of the Mandatory Conversion Event. Upon receipt of such notice, each holder of shares of Series A Convertible Preferred Stock shall surrender his, her or its certificate or certificates for all such shares (or, if such holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit) to the Corporation at the place designated in the notice. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or by his, her or its attorney duly authorized in writing. All rights with respect to the Series A Convertible Preferred Stock converted pursuant to this Section 7(h) including the rights, if any, to receive notices and vote (other than as a holder of Common Stock), will terminate upon the Mandatory Conversion Event (notwithstanding the failure of the holder or holders thereof to surrender the certificates at or prior to such time), except only the rights of the holders thereof, upon surrender of their certificate or certificates (or lost certificate affidavit) therefore, to receive the items provided for in the next sentence of this Section 7(h). As soon as practicable after the Mandatory Conversion Event and the surrender of the certificate or certificates (or lost certificate affidavit) for Series A Convertible Preferred Stock, the Corporation shall issue and deliver to such holder, or to his, her or its nominees, a certificate or certificates for the number of full shares of Common stock issuable on such conversion in accordance with the provisions hereof, together with cash in lieu of any fraction of a share of Common Stock otherwise issuable upon such conversion and the payment of any declared but unpaid dividends (but not any undeclared Accruing Dividends) on the shares of Series A Convertible Preferred Stock converted. Such converted Series A Convertible Preferred Stock shall be retired and cancelled and may not be reissued as shares of such series, and the Corporation may thereafter take such appropriate action (without the need for stockholder action) as may be necessary to reduce the authorized number of shares of Series A Convertible Preferred Stock accordingly.

8. Annual Reports. If the Corporation is required, by terms of any indenture or security of the Corporation or the rules and regulations under the Securities Exchange Act of 1934, as amended, to furnish an annual report to any of its security holders, it will furnish such annual report to holders of shares of Series A Convertible Preferred Stock.

9. Registration of Transfer. The Corporation or its transfer agent will keep a register for the registration of shares of Series A Convertible Preferred Stock. Upon the surrender of any certificate representing shares of Series A Convertible Preferred Stock, the Corporation will, at the request of the record holder of such certificate and subject to any applicable transfer

restrictions, execute and deliver (at the Corporation's expense) a new certificate or certificates in exchange therefor representing in the aggregate the number of shares of Series A Convertible Preferred Stock represented by the surrendered certificate. Each such new certificate will be registered in such name and will represent such number of shares of Series A Convertible Preferred Stock as is requested by the holder of the surrendered certificate and will be substantially identical in form to the surrendered certificate, and dividends will accrue on the shares of Series A Convertible Preferred Stock represented by such new certificate from the date to which dividends have been fully paid on such shares of Series A Convertible Preferred Stock represented by the surrendered certificate.

10. Replacement. Upon receipt of evidence reasonably satisfactory to the Corporation of the ownership and the loss, theft, destruction, or mutilation of any certificate evidencing shares of Series A Convertible Preferred Stock and, in the case of any such loss, theft, or destruction, upon receipt of indemnity reasonably satisfactory to the Corporation or, in the case of any mutilation, upon surrender of such certificate, the Corporation will (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of Series A Convertible Preferred Stock represented by such lost, stolen, destroyed, or mutilated certificate, and dividends will accrue on the shares of Series A Convertible Preferred Stock represented by such new certificate from the date to which dividends have been fully paid on such lost, stolen, destroyed, or mutilated certificate.

11. Amendment and Waiver. Except as expressly provided herein, no amendment, modification, or waiver will be binding or effective with respect to any provision hereunder without the affirmative vote of the holders of at least a majority of the shares of Series A Convertible Preferred Stock then outstanding, voting separately as a class.

12. Notices. Except as otherwise expressly provided, all notices referred to herein shall be in writing and shall be delivered personally or mailed, or delivered by overnight courier service to (i) the Corporation, at its principal executive offices and (ii) any stockholder, at such holder's address as it appears in the stock records of the Corporation (unless otherwise indicated in writing by any such holder), and shall be deemed to have been given upon delivery, if delivered personally, seven (7) business days after mailing, if mailed, or three (3) business days after deliver to the courier, if delivered by overnight courier service.

FURTHER RESOLVED, that, before the Corporation shall issue any shares of the Series A Convertible Preferred Stock, a certificate pursuant to Section 103 of the DGCL shall be made, executed, acknowledged, filed and recorded in accordance with the provisions of such Section 103, and the proper officers of the Corporation are hereby authorized and directed to do all acts and things that may be necessary or proper in their opinion to carry into effect the purposes and intent of this and the foregoing resolution.

I hereby declare and certify under penalty of perjury under the laws of the State of Delaware that the facts set forth in the foregoing certificate are true and correct and that this certificate is the act and deed of the Corporation.

IN WITNESS WHEREOF, the Corporation has caused this Certificate to be duly executed in its corporate name by a duly authorized officer on this 4th day of May, 2007.

From: The Undersigned Purchaser

The undersigned (the "Purchaser"), hereby confirms its agreement with you as follows:

1. This Stock and Warrant Purchase Agreement (the "Agreement") is made as of the date set forth below between Natural Health Trends Corp., a Delaware corporation (the "Company"), and the Purchaser.

2. The Company has authorized the sale and issuance to certain purchasers in a private placement (the "Offering") of (a) up to 1,631,000 (as amended, 1,761,900) shares (the "Shares"), of Series A Convertible Preferred Stock of the Company, US\$0.001 par value per share, which shall have the preferences, rights, privileges and restrictions, and shall initially be convertible into an equivalent number of shares of Common Stock of the Company, par value US\$0.001 per share (the "Common Stock"), all as set forth in substantially the form of the Certificate of Designations, Preferences and Rights attached hereto as Exhibit A (the "Certificate of Designations"), and (b) warrants in substantially the form attached hereto as Exhibit B (the "Warrants") evidencing the right to purchase up to 1,631,000 (as amended, 1,761,900) shares of Common Stock. The shares of Common Stock into which the Shares are convertible and for which the Warrants are exercisable are hereinafter referred to as the "Underlying Shares." **The Purchaser acknowledges that the form of the Certificate of Designations and the form of the Warrant attached hereto contain certain blanks and bracketed language relating to information that will not be known until the Closing (as defined below) of the sale and purchase of the Shares and the Warrants. The Purchaser does hereby authorize the Company to complete such blanks and to substitute final documentary language consistent with the bracketed language at the Closing of the sale and purchase of the Shares and Warrants.**

3. The Company and the Purchaser agree that the Purchaser will purchase from the Company and the Company will issue and sell to the Purchaser (a) _____ Shares at a purchase price of US\$1.70 per Share, and (b) a Warrant to purchase the same number of shares of Common Stock at a purchase price of US\$0.00001 per Underlying Share for which the Warrant is exercisable, for an aggregate purchase price of US\$_____, pursuant to the Terms and Conditions for Purchase of Shares and Warrant attached hereto as Annex I and incorporated herein by this reference as if fully set forth herein. Unless otherwise requested by the Purchaser, the certificate or certificates representing the Shares and the Warrant purchased by the Purchaser will be registered in the Purchaser's name and address as set forth below.

4. The Purchaser hereby acknowledges that it has received, read and is familiar with this Agreement (consisting of these "Subscription Pages," Annex I and all exhibits thereto), including but not limited the representations and warranties of the Company set forth in Section 3 of Annex I, and has received, read and is familiar with the Company's Annual Report on Form 10-K for the year ended December 31, 2006 and the Current Reports on Form 8-K and all other reports filed by the Company under the U.S. Securities Exchange Act of 1934 between January 1, 2007 and April 16, 2007 (the "SEC Reports"), including without limitation the "Risk Factors" set forth under the caption "Item 1A. Risk Factors" commencing on page 11 of the above referenced Form 10-K. Further, the Purchaser acknowledges that it has received, read, and is familiar with the additional "Offering Risk Factors" included with the Company's Disclosure Package that incorporates the SEC Reports (the "Offering Risk Factors"). Purchaser acknowledges that certain statements contained in the SEC Reports constitute "Forward-Looking Statements," as referenced under the caption "Forward-Looking Statements" set forth in the introduction to the Form 10-K and, as described therein, Purchaser acknowledges that the Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of various factors, including the risk factors described under the caption "Risk Factors" and elsewhere in the Form 10-K, as well as the Offering Risk Factors. The Purchaser acknowledges that its investment in the Shares and the Warrant (as well as all Underlying Shares) are subject to the risk factors set forth in the Form 10-K, as well as the Offering Risk Factors.

5. The Purchaser hereby represents and warrants to the Company as follows:

(a) The Purchaser has adequate means of providing for Purchaser's current needs and any unexpected needs in the future even without the funds that Purchaser might invest pursuant to this Agreement. The Purchaser neither has nor anticipates any need to sell the Shares or the Warrant in the foreseeable future. The Purchaser is able to bear the economic risks of this investment, is able to hold the Shares and the Warrant for an indefinite period of time, and has a sufficient net worth to sustain a loss of the entire investment in the Shares and the Warrant in the event that such a loss occurs. The Purchaser's commitment in the Shares and the Warrant and other non-marketable investments will not be a disproportionate part of Purchaser's net worth.

(b) The Purchaser, either alone or with one or more of its representatives, has such knowledge and experience in financial and business matters that the Purchaser is capable of evaluating the merits and risks of an investment in the Company.

(c) The Purchaser confirms that, if requested by Purchaser, all documents, records and books pertaining to this proposed investment in the Company have been made available to the Purchaser and his advisors, and they have made such examinations of the foregoing as the Purchaser and his advisors have deemed necessary in connection with such investment in the Company.

(d) The Purchaser has had an opportunity to ask questions of and receive answers from the officers of the Company concerning the terms and conditions of this investment, and such officers of the Company have answered all such questions to the full satisfaction of the Purchaser.

(e) The Shares and the Warrant (and any Underlying Shares) will be acquired for the Purchaser's own account for investment, and not for the account of any other person nor with a view to resell, distribute, or participate in any distribution of the Shares, the Warrant or the Underlying Shares in a manner which would require the registration of the Shares, the Warrant or the Underlying Shares under the U.S. Securities Act of 1933, as amended (the "Securities Act"), or any applicable state securities laws.

(f) The Purchaser understands that no U.S. or other securities administrator has made any finding or determination relating to the merits or fairness of an investment in the Shares or the Warrant, and no such securities administrator has or will recommend or endorse any offering of the Shares or the Warrant.

(g) If the Purchaser is a corporation, partnership, joint venture or a similar business entity or a trust, the Purchaser was not organized for the purpose of acquiring the Shares or the Warrant.

(h) It has been called to the Purchaser's attention, both in this Agreement and by those individuals with whom the Purchaser has dealt in connection with investing in the Company, that the Purchaser's investment in the Company is a speculative investment and involves a degree of risk which might result in the loss of the Purchaser's entire investment. The Purchaser acknowledges that the Company has made available to the Purchaser or the Purchaser's representative(s) the opportunity to obtain additional information with which to evaluate the merits and risks of this investment. By reason of the Purchaser's business and financial experience, the Purchaser has acquired the capacity to protect the Purchaser's interest in investments of this nature. In reaching the conclusion that the Purchaser desires to acquire the Shares and the Warrant, the Purchaser has carefully evaluated its financial resources and investment position and the risks associated with this investment.

(i) In making the Purchaser's investment decision, the Purchaser has relied solely upon the Company's filings with the SEC and the representations and warranties of the Company contained herein, as well as any investigations of the Company made by the Purchaser and the Purchaser's representatives, if any. The Purchaser has received no representations from the Company or its principals, officer or directors other than the representations contained in this Agreement.

(j) The Purchaser, if an individual, is now a bona fide citizen of the United States of America and a bona fide resident of the state set forth in the "Purchaser Information" section of this Agreement, and the addressees and Social Security number set forth in the "Purchaser Information" section of this Agreement, are the true and correct business and home addresses and Social Security number of the Purchaser.

(k) No representations have been made to the Purchaser concerning projected results, expected yields or any other prospective information concerning operation of the Company.

(l) The Purchaser is not a retirement trust or any other entity exempt from federal income tax pursuant to the Internal Revenue Code of 1986, as amended.

(m) The Company will not become an investment company under the Investment Company Act of 1940, as amended, by virtue of the Purchaser's investment in the Units.

(n) The Purchaser is an **"accredited investor"** within the meaning of Rule 501 of Regulation D promulgated under the Securities Act, as indicated below (please initial all categories which apply). The Purchaser acknowledges and understands that exemptions from registration under the Securities Act relied upon by the Company are based in part on the fact that the Investor qualifies as an accredited investor. As part of the Offering, the Company proposes to enter into substantially this same form of Stock and Warrant Purchase Agreement with certain other purchasers (the "Other Purchasers"), and the Company expects to complete sales of Shares and Warrants to them. The Purchaser and the Other Purchasers are hereinafter sometimes collectively referred to as the "Purchasers," and this Agreement and the Stock and Warrant Purchase Agreements executed by the Other Purchasers are hereinafter sometimes collectively referred to as the "Agreements." The Company will accept executed Agreements from Purchasers for the purchase of Shares and Warrants commencing upon April 16, 2007 and concluding upon the date (the "Subscription Date") on which the Company has notified (i) the Purchaser, with respect to the offer and sale of the Shares and Warrants inside the United States, or (ii) the Purchaser and/or the Company's placement consultant for the Shares and Warrants outside of the United States (the "Placement Consultant"), with respect to the offer and sale of the Shares and Warrants outside the United States, in each case, in writing that it is no longer accepting Agreements for the purchase of Shares and Warrants in the Offering.

1.3 PLACEMENT CONSULTANT FEE. The Purchaser acknowledges that the Company intends to pay the Placement Consultant a fee in respect of its placement activities in connection with the offer and sale of the Shares and Warrants outside the United States.

Unless the Nominating Committee of the Board of Directors does not approve the nomination of Mr. Ken Wang, within 10 business days following the Company's 2007 Annual Meeting of Common Stockholders the Company shall cause Mr. Wang to be elected to the Board of Directors of the Company. If the Nominating Committee does not so approve the nomination of Mr. Wang, then the Company shall promptly notify the Purchasers in writing to such effect and the holders of a majority of the Shares shall be entitled to nominate a substitute nominee within thirty (30) days of such notice by providing to the Company the name of the substitute nominee and the other information specified in Section 6 of the Certificate of Designations, in which event the substitute nominee shall be evaluated by the Nominating Committee and, if approved, the Company shall cause the substitute nominee to be elected to the Board of Directors. Mr. Wang or any substitute nominee shall be extended indemnification protection by the Company for his service as a director of the Company on terms substantially similar to the indemnification protection generally afforded other members of the Board of Directors. The position held by Mr. Wang or any substitute nominee on the Board of Directors shall thereafter be subject to the right of the holders of a majority of the Shares to designate an appropriate individual for nomination to the Board of Directors, as provided in Section 6 of the Certificate of Designations.

The Company is duly qualified to do business and is in good standing in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not, individually or in the aggregate have or result in a Material Adverse Effect (as defined below). The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by the Agreements, the Warrants and the Certificate of Designations as filed with the Secretary of State of the State of Delaware (collectively, the "Transaction Documents"), and otherwise to carry out its obligations hereunder and thereunder, including, without limitation, the issuance of the Shares and the Warrant and the subsequent issuance of the Underlying Shares upon conversion of the Shares and exercise of the Warrant. For purposes of this Agreement, "Material Adverse Effect" means a material adverse effect on the assets, businesses, properties, operations or financial condition of the Company and its subsidiaries, taken as a whole.

3.2 AUTHORIZATION; NO CONTRAVENTION. The execution, delivery and performance by the Company of the Agreements and each of the other Transaction Documents, the issuance and delivery of the Shares and the Warrant, and, upon conversion of the Shares or exercise of the Warrant (as applicable), the issuance and delivery of the Underlying Shares, and the performance of the transactions contemplated by the Agreements and the Transaction Documents (a) have been duly authorized by all necessary corporate or other action of the Company; (b) do not and will not violate or result in a violation of, conflict with or constitute or result in a default (whether after the giving of notice, lapse of time or both) or loss of benefit under any provision of the certificate of incorporation or the bylaws of the Company; (c) do not and will not violate or result in a violation of, conflict with or constitute or result in any breach, default or contravention of (or with due notice or lapse of time or both would result in any breach, default or contravention of), or loss of benefit under, any contract or obligation to which the Company or any of its subsidiaries is a party or by which its or any of its subsidiaries assets are bound, or cause the creation of any claim upon any of the assets of the Company, and do not and will not violate, conflict with or result in a violation of, or constitute a default (whether after the giving of notice, lapse of time or both) under, any judgment, injunction, writ, award, decree or order of any nature of, or any restriction imposed by, any court or governmental authority against, binding upon or otherwise applicable to the Company, or, to the Company's knowledge, any provision of United States law, regulation or rule, except where a waiver has been obtained for any such conflict or violation or any such conflict, violation, breach, default or contravention

has not resulted or would not reasonably be expected to result, individually or in the aggregate, in a Material Adverse Effect; (d) do not and will not require from the Company any notice to, declaration or filing with, or consent or approval of any United States federal or state governmental authority (other than such filings as may be required with the SEC, any U.S. state securities authorities or The Nasdaq Stock Market); and (e) do not and will not violate or result in a violation of, or constitute a default (whether after the giving of notice, lapse of time or both) under, accelerate any obligation under, or give rise to a right of termination of, any permit, license or authorization to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound.

3.3 BINDING EFFECT. The Agreements and the other Transaction Documents have been duly executed and all such agreements constitute the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity relating to enforceability (regardless of whether considered in a proceeding at law or in equity), and except that rights to indemnification and contribution may be limited by federal or state securities laws or public policy relating thereto.

3.4 CAPITALIZATION. The capitalization of the Company as of December 31, 2006 is as described in the Form 10-K. The Company has not issued any capital stock since January 1, 2007, other than pursuant to the exercise of employee and director stock options, if any, disclosed in the SEC Reports. The outstanding shares of capital stock of the Company have been duly and validly authorized and issued and are fully paid and nonassessable, and were not issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. Except for such options and warrants as were outstanding on December 31, 2006 and are as described in the Form 10-K, and such options as may have been issued or may be issued to the Company's directors, officers or employees under the Company's stock option or incentive plans, and such Warrants as may be sold under the Agreements, there are no outstanding subscriptions, commitments, rights (including, without limitation, preemptive rights, rights of first refusal, put or call rights or obligations), warrants or options to acquire, or instruments convertible into or exchangeable for, any unissued shares of capital stock or other equity interest in the Company, or any contract, commitment, agreement, understanding or arrangement of any kind, in either case to which the Company is a party and providing for the issuance or sale of any capital stock of the Company, any such convertible or exchangeable securities or any such rights, warrants or options. Without limiting the foregoing, no preemptive right, co-sale right, right of first refusal or other similar right exists with respect to the issuance and sale of the Shares, Warrants and Underlying Shares. Except as may be otherwise disclosed in the Form 10-K, there are no rights to have the Company's capital stock registered for sale to the public in connection with the laws of any jurisdiction, and there are no documents, instruments or agreements relating to the voting of the Company's voting securities or restrictions on the transfer of the Company's capital stock other than such documents, instruments or agreements expressly referenced herein.

3.5 AUTHORIZATION, VALIDITY AND ISSUANCE OF SECURITIES. The Shares and Warrants are duly and validly authorized, and when issued, sold and delivered to the Purchasers after payment therefor, will be validly issued and delivered, fully paid and non-assessable and not subject to any rights of first refusal, preemptive rights or similar rights, and

will be free and clear of all liens other than those created by the Transaction Documents. The Underlying Shares have been duly and validly authorized and reserved for issuance upon conversion of the Shares or exercise of the Warrants and, when issued in compliance with the provisions of the Shares or Warrants, will be validly issued, fully paid and non-assessable and not subject to any rights of first refusal, preemptive rights or similar rights, and will be free and clear of all liens other than those created by the Transaction Documents.

3.6 REPORTS; FINANCIAL STATEMENTS.

(a) The Common Stock is registered pursuant to Section 12 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act"), and is listed on Nasdaq. The SEC Reports constitute all reports, schedules, forms, statements and other documents required to be filed by the Company with the SEC pursuant to the reporting requirements of the Exchange Act, including pursuant to Sections 13, 14 or 15(d) thereof, since January 1, 2007. As of their respective dates, the SEC Reports complied in all material respects with the requirements of the U.S. Securities Act of 1933, as amended (the "Securities Act"), and the Exchange Act and the rules and regulations of the SEC promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Nothing has come to the attention of the Company since such respective dates that would indicate that the SEC Reports are not true and correct in all material respects as of the applicable dates thereof.

(b) The audited consolidated financial statements of the Company and its subsidiaries (balance sheet and statements of operations, cash flow and shareholders' equity, together with the notes thereto) for the fiscal year ended December 31, 2006 set forth in the Form 10-K contains the unqualified report of the Company's independent certified public accountants (the "Company Financial Statements"), are true, complete and correct in all material respects, consistent in all material respects with the books and records of the Company and its subsidiaries, and have been prepared in accordance with United States Generally Accepted Accounting Principles ("GAAP") applied on a consistent basis throughout the periods indicated. Except as may be otherwise specified in the Company Financial Statements or the notes thereto, the Company Financial Statements fairly present in all material respects the financial condition, operating results and cash flows of the Company and its subsidiaries as of the dates and for the periods indicated in accordance with GAAP. Nothing has come to the attention of the Company since such respective dates that would indicate that any such financial statements are not true and correct in all material respects as of the applicable dates thereof.

3.7 NO MATERIAL ADVERSE CHANGE; ORDINARY COURSE OF BUSINESS. Except as set forth in the SEC Reports filed prior to the date hereof or as contemplated by the Transaction Documents or as set forth in the Company Financial Statements, (a) since January 1, 2007, neither the Company nor any of its subsidiaries has participated in any transaction (including, without limitation, amendments to or changes in its Certificate of Incorporation or Bylaws; incurrences, assumptions or guarantees of any debt for borrowed money; issuances or sales of securities, other than pursuant to compensatory plans; discharges or satisfactions of material liens; declarations or payments of dividends or distributions to stockholders; sales, assignments or transfers of material assets; waivers of any rights of substantial value; and

3.8 **BROKER'S, FINDER'S OR SIMILAR FEES.** Except for the fee due to the Placement Consultant in respect of its placement activities in connection with the offer and sale of the Shares and Warrants outside the United States, there are no brokerage commissions, finder's fees or similar fees or commissions payable by the Company in connection with the transactions contemplated hereby.

3.9 **TAX MATTERS.** The Company and its subsidiaries, (a) except where any failure has not had and could not reasonably be expected to have a Material Adverse Effect, have timely and properly filed all federal, state, local and foreign tax returns required to be filed by any of them through the date hereof and as of the closing, and all such tax returns filed by the Company or any such subsidiaries are true, correct and complete in all material respects; (b) have paid or caused to be paid all federal, state, local, foreign and other taxes, including without limitation, income taxes, estimated taxes, alternative minimum taxes, excise taxes, sales taxes, franchise taxes, employment and payroll related taxes, withholding taxes, transfer taxes, and all deficiencies, or other additions to tax, interest, fines and penalties owed by any of them (collectively, "Taxes"), required to be paid by any of them through the date hereof and as of the closing whether disputed or not, except Taxes that have not yet accrued or otherwise become due; and (c) and have not received notice of any audit or of any proposed deficiencies from the Internal Revenue Service or any other taxing authority (other than routine audits undertaken in the ordinary course and that have been finally resolved on or prior to the date hereof).

3.10 **INTELLECTUAL PROPERTY.** The Company or one or more of its subsidiaries exclusively owns or possesses adequate and enforceable rights to use all of the intellectual property assets (including, but not limited to, any and all patents, trademarks, trade names, trade dress, registered and unregistered trademarks and service marks, registered copyrights in both published and unpublished works, know-how, trade secrets and confidential or proprietary information (collectively, the "Intellectual Property Assets") necessary for the operation of its business.

3.11 LITIGATION. There is no litigation or governmental or administrative proceeding or investigation pending or, to the knowledge of the Company, threatened in writing against the Company or any of its subsidiaries or affecting the properties or assets of the Company or any of its subsidiaries, or, as to matters related to the Company or any of its subsidiaries, against any of their respective officers, directors or key employees, nor, to the knowledge of the Company, has there occurred any event or does there exist any condition on the basis of which any such claim may be asserted, that has had or could reasonably be expected to have a Material Adverse Effect.

3.12 NO DEFAULTS. The Company and its subsidiaries are not, nor have they received notice that they would be with the passage of time, giving of notice, or both, (a) in violation of any provision of their respective Certificates of Incorporation or Bylaws (or other applicable organizational documents) or (b) in default or violation of any material term, condition or provision of (i) any judgment, decree, order, injunction or stipulation applicable to the Company or its subsidiaries or (ii) any material agreement, note, mortgage, indenture, contract, lease or instrument, permit, concession, franchise or license to which the Company or its subsidiaries are a party or by which the Company or its subsidiaries or their properties or assets may be bound, and no circumstances exist which would entitle any party to any material agreement, note, mortgage, indenture, contract, lease or instrument to which the Company or its subsidiaries are a party, to terminate such, as a result of the Company or its subsidiaries having failed to meet any provision thereof which individually, or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

3.13 RESTRICTIONS ON BUSINESS ACTIVITIES. There is no judgment, injunction, order or decree binding upon the Company or its subsidiaries which has or could reasonably be expected to have the effect of prohibiting or materially impairing any business practice of the Company or its subsidiaries, any acquisition of property by the Company or its subsidiaries or the conduct of business by the Company or its subsidiaries as currently conducted or as currently proposed to be conducted by the Company.

3.14 INSURANCE. The insurance policies providing insurance coverage to the Company or its subsidiaries, including any policies in respect of product liability, are, in the reasonable opinion of the Company, adequate for the business conducted by the Company and its subsidiaries, taken as a whole. All of such policies are in full force and effect and are valid and enforceable in accordance with their terms, and the Company and its subsidiaries have complied with all material terms and conditions of such policies, including premium payments. None of the insurance carriers has indicated to the Company or its subsidiaries an intention to cancel any such policy.

3.15 LICENSES; COMPLIANCE WITH REGULATORY REQUIREMENTS. Except as disclosed in the SEC Reports, the Company holds all material authorizations, consents, approvals, franchises, licenses and permits required under applicable law or regulation for the operation of the business of the Company and its subsidiaries as presently operated (collectively, the "Governmental Authorizations"), except where the failure to hold any such Governmental Authorizations has since January 1, 2007 or could reasonably be expected to have a Material Adverse Effect.

3.16 DISCLOSURE. No representation or warranty made by the Company in this Agreement or the Transaction Documents or in any Schedule or Exhibit hereto or thereto, contains or will contain any untrue statement of a material fact, or omits to state a material fact necessary to make the statements or facts contained herein or therein not misleading in light of the circumstances under which they were furnished.

4. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PURCHASER.

4.1 PURCHASER ACKNOWLEDGEMENT. The Purchaser, for itself only, represents and warrants to, and covenants with, the Company that: (a) the Purchaser understands that the Shares and the Warrants (and the related Underlying Shares) are “restricted securities” and have not been registered under the Securities Act or under applicable state securities or blue sky laws and Purchaser is acquiring the number of Shares and Warrants set forth on the Subscription Pages in the ordinary course of its business and for its own account for investment only, and not with a view to, or for sale in connection with, any distribution thereof, nor with the intention of distributing or reselling same; provided, however, that by making the foregoing representation, the Purchaser does not agree to hold any of the securities for any minimum or other specific term, and reserves the right to dispose of the securities at any time in accordance with or pursuant to a Registration Statement or an exemption under the Securities Act; (b) the Purchaser will not, directly or indirectly, offer, sell, pledge, transfer or otherwise dispose of (or solicit any offers to buy, purchase or otherwise acquire or take a pledge of) any of the Shares or Warrants (or the related Underlying Shares) except in compliance with the Securities Act and other applicable securities laws and the respective rules and regulations promulgated thereunder; (c) the Purchaser has answered all questions on the Subscription Pages and the answers thereto are true and correct as of the date hereof and will be true and correct as of the Closing Date and the related information may be relied upon by the Company for inclusion in the Registration Statement; (d) the Purchaser will notify the Company immediately of any change in any of such information until such time as the Purchaser has sold all of its Underlying Shares or until the Company is no longer required to keep the Registration Statement effective; (e) the Purchaser has, in connection with its decision to purchase the number of Shares and Warrants set forth on the Subscription Pages, relied only upon the representations and warranties of the Company contained herein and the information set forth in the Disclosure Package, including the SEC Reports; and (f) the Company’s representations and warranties set forth in this Agreement are made only as of the date of this Agreement and the Closing Date, and Purchaser’s subsequent decision to convert the Shares into Underlying Shares or to exercise the Warrant for Underlying Shares are made in the sole discretion of the Purchaser in accordance with the terms of the Shares and Warrant and the Company hereby expressly disclaims any obligation to provide to the Purchaser any additional representations, warranties or information. Purchaser understands that the issuance of the Shares and Warrants to the Purchaser (and the issuance of the related Underlying Shares) has not been registered under the Securities Act, or registered or qualified under any other securities laws in reliance on specific exemptions therefrom, which exemptions may depend upon, among other things, the bona fide nature of the Purchaser’s investment intent as expressed herein. The Placement Consultant is not authorized to make any representation or use any information in connection with the placement, purchase and sale of the Shares and Warrants, and no person is authorized to provide any representation which is inconsistent or in addition to those in the Disclosure Package or the SEC Reports. The Purchaser acknowledges that it has not received or relied on any such representations.

4.2 REGISTRATION REQUIRED. The Purchaser hereby covenants with the Company not to make any sale of the Shares, Warrants or Underlying Shares without complying with the provisions of this Agreement, including Section 6.3 hereof, and without effectively causing the prospectus delivery requirement under the Securities Act to be satisfied (unless the Purchaser is selling its Underlying Shares in a transaction not subject to the prospectus delivery requirement), and the Purchaser acknowledges that the certificates evidencing the Shares, Warrants and Underlying Shares will be imprinted with a legend that prohibits their transfer except in accordance therewith. The Purchaser acknowledges that as set forth in, and subject to the provisions of, Section 6.3, there may occasionally be times when the Company, based on the advice of its counsel, determines that it must suspend the use of the prospectus forming a part of the Registration Statement until such time as an amendment to the Registration Statement has been filed by the Company and declared effective by the SEC or until the Company has amended or supplemented such prospectus.

4.3 POWER AND AUTHORITY. The Purchaser further represents and warrants to, and covenants with, the Company that (i) the Purchaser has full right, power, authority and capacity to enter into this Agreement and to consummate the transactions contemplated hereby and has taken all necessary action to authorize the execution, delivery and performance of this Agreement, and (ii) this Agreement constitutes a valid and binding obligation of the Purchaser enforceable against the Purchaser in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' and contracting parties' rights generally and except as enforceability may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and except as the indemnification agreements of the Purchasers herein may be legally unenforceable.

4.4 NO DISPOSITIONS. Except with the prior written consent of the Company, the Purchaser will not, prior to the effectiveness of the Registration Statement, engage in any hedging or other transaction which is designed to or could reasonably be expected to lead to or result in a disposition of Common Stock of the Company by the Purchaser or any other person or entity. Such prohibited hedging or other transactions would include, without limitation, effecting any short sale or having in effect any short position (whether or not such sale or position is against the box and regardless of when such position was entered into) or any purchase, sale or grant of any right (including, without limitation, any put or call option) with respect to the Common Stock of the Company or with respect to any security (other than a broad-based market basket or index) that includes, relates to or derives any significant part of its value from the Common Stock of the Company.

4.5 RECEIPT AND REVIEW OF DISCLOSURE PACKAGE. The Purchaser, either alone or with one or more advisers, has such knowledge and experience in financial and business matters that the Purchaser is capable of evaluating the merits and risks of an investment in the Company and has evaluated such merits and risks. Purchaser has received, read and is familiar with this Agreement (consisting of the Subscription Pages, Annex I and all exhibits hereto), including but not limited to the representations and warranties of the Company set forth in Section 3 of Annex I, and has had the opportunity to thoroughly review the Disclosure Package,

including the SEC Reports. The Purchaser confirms that it and its advisers have examined the foregoing materials as the Purchaser and its advisers have deemed necessary in connection with the investment in the Shares and Warrant. The Purchaser has had an opportunity to ask questions of and receive answers from the principals, officers and directors of the Company concerning the terms and conditions of the Offering, and such principals, officers and directors of the Company have answered all such questions to the full satisfaction of the Purchaser.

4.6 NO TAX OR LEGAL ADVICE. The Purchaser understands that nothing in this Agreement, or any other materials presented to the Purchaser in connection with the purchase and sale of Shares and Warrants constitutes legal, tax or investment advice. The Purchaser has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of Shares and Warrants.

5. SURVIVAL OF REPRESENTATIONS, WARRANTIES AND AGREEMENTS.

Notwithstanding any investigation made by any party to this Agreement or by the Placement Consultant, all covenants, agreements, representations and warranties made by the Company and the Purchaser herein shall survive the execution of this Agreement, the delivery to the Purchaser of the Shares and Warrants being purchased and the payment therefor.

6. REGISTRATION OF THE SHARES; COMPLIANCE WITH THE SECURITIES ACT.

6.1 REGISTRATION PROCEDURES AND EXPENSES. The Company shall:

(a) subject to receipt of necessary information from the Purchasers, prepare and file with the SEC, as soon as practicable, but in no event later than sixty (60) days after the Closing Date (such date, the "Filing Date"), a registration statement to enable the resale of all of the Underlying Shares (the "Registration Statement");

(b) use its reasonable best efforts, subject to the receipt of necessary information from the Purchasers, to cause the Registration Statement to become effective as soon as practicable after the filing thereof, but in any event within four (4) calendar months of the Closing Date if the Registration Statement is not reviewed by the SEC and within six (6) calendar months of the Closing Date if the Registration Statement is reviewed by the SEC (the "Effectiveness Deadline"); provided that if and to the extent that any of the Underlying Shares are not included in the Registration Statement at the time it is declared effective for reasons other than the failure of the Purchaser to furnish to the Company the information required by the next to last paragraph of this Section 6.1, the Company shall use its reasonable best efforts, subject to the receipt of necessary information from the Purchasers, to prepare and file with the SEC such additional Registration Statements as the Company in its reasonable judgment shall deem viable for the purpose of effectively registering for resale under the Securities Act all of the Underlying Shares;

(c) use its reasonable best efforts to prepare and file with the SEC such amendments and supplements to the Registration Statement and the prospectus used in connection therewith (the "Prospectus") as may be necessary to keep the Registration Statement

current and effective for a period from the date the Registration Statement is declared effective by the SEC until the earliest of (i) the date when all Underlying Shares covered by such Registration Statement have been sold and (ii) the date on which the Purchasers may sell all of the Underlying Shares acquired or which the Purchaser has the right to acquire without restriction pursuant to Rule 144(k) under the Securities Act (or any successor provision thereof having similar effect) (the “Effectiveness Period”);

(d) furnish, without charge, to the Purchaser with respect to the Underlying Shares registered under the Registration Statement such number of copies of the Registration Statement, each amendment and supplement thereto (in each case including all exhibits), Prospectuses (including supplemental prospectuses) and preliminary versions of the Prospectus filed with the SEC (“Preliminary Prospectuses”) in conformity with the requirements of the Securities Act and such other documents as the Purchaser may reasonably request, in order to facilitate the public sale or other disposition of all or any of the Underlying Shares by the Purchaser;

(e) file documents required of the Company for normal blue sky clearance in U.S. states reasonably specified in writing by the Purchaser prior to the effectiveness of the Registration Statement, provided, however, that the Company shall not be required to qualify to do business or consent to service of process in any jurisdiction in which it is not now so qualified or has not so consented;

(f) bear and pay all expenses (other than professional fees incurred by the Purchasers and underwriting discounts and commissions, if any) incident to the performance of or compliance with this Agreement by the Company under Section 6.1 or Section 6.3, whether or not the Registration Statement is filed or becomes effective and whether or not any Underlying Shares are sold pursuant to the Registration Statement;

(g) advise the Purchasers, promptly (but in any event within five (5) business days) after it shall receive notice or obtain knowledge of the issuance of any stop order by the SEC delaying or suspending the effectiveness of the Registration Statement or of the initiation of any proceeding for that purpose; and it will promptly use its commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal at the earliest possible moment if such stop order should be issued.

(h) use its reasonable best efforts to cause all such Underlying Shares covered by such Registration Statement to be listed on a national securities exchange or trading system and each securities exchange and trading system (if any) on which similar securities issued by the Company are then listed;

(i) provide a transfer agent and registrar for all Underlying Shares registered pursuant to this Agreement and provide a CUSIP number for all such Underlying Shares, in each case not later than the effective date of such registration;

(j) notify the Purchaser, promptly after the Company receives notice thereof (but in any event within five (5) business days), of the time when such Registration

Statement has been declared effective or a supplement to any Prospectus forming a part of such registration statement has been filed;

(k) cooperate with the Purchaser to facilitate the timely preparation and delivery of certificates representing the Underlying Shares sold pursuant to a Registration Statement, which certificates shall be free, to the extent sold in compliance with the “plan of distribution” set forth in the Registration Statement and to the extent permitted by applicable law and the Purchase Agreement, of all restrictive legends, and to enable such Underlying Shares to be in such denominations and registered in such names as any Purchaser may request; and

(l) with a view to making available to the Purchaser the benefits of Rule 144 (or its successor rule) and any other rule or regulation of the SEC that may at any time permit the Purchaser to sell the Underlying Shares to the public without registration, the Company covenants and agrees to: (i) make and keep public information available, as those terms are understood and defined in Rule 144, until the earlier of (A) such date as all of the Underlying Shares acquired or that may be acquired by the Purchaser may be resold pursuant to Rule 144(k) or any other rule of similar effect or (B) such date as all of the Underlying Shares acquired or that may be acquired by the Purchaser shall have been resold; (ii) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and (iii) furnish to the Purchaser upon request, as long as the Purchaser owns any Shares, Warrants or Underlying Shares, (A) a written statement by the Company that it has complied with the reporting requirements of the Securities Act and the Exchange Act, (B) a copy of the Company’s most recent Annual Report on Form 10-K or Quarterly Report on Form 10-Q, and (C) such other information as may be reasonably requested in order to avail the Purchaser of any rule or regulation of the SEC that permits the selling of any such Shares without registration.

It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 6.1 that the Purchaser shall furnish to the Company such information regarding himself, herself or itself, the Underlying Shares to be sold by such Purchaser pursuant to the Registration Statement, and the intended method of disposition of such Underlying Shares as shall be required to effect the registration thereof. If the Registration Statement refers to any Purchaser by name or otherwise as the holder of any securities of the Company, then such Purchaser shall have the right to require (if such reference to such Purchaser by name or otherwise is not required by the Securities Act or similar federal statute then in force) the deletion of the reference to such Purchaser in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

The Company understands that the Purchaser disclaims being an underwriter, but the Purchaser being deemed an underwriter by the SEC shall not relieve the Company of any obligations it has hereunder.

6.2 REGISTRATION DEFAULT PENALTIES

(a) The Company and the Purchaser agree that the Purchaser will suffer damages if the Registration Statement is not filed on or prior to the Filing Date and if the

Registration Statement is not maintained in the manner contemplated herein during the Effectiveness Period. The Company and the Purchaser further agree that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, if the Registration Statement is not filed on or prior to the Filing Date, or the Registration Statement is filed with and declared effective by the SEC but thereafter ceases to be effective as to the Underlying Shares covered thereby at any time prior to the expiration of the Effectiveness Period due to an intentional and willful act by the Company without being succeeded immediately by a subsequent Registration Statement filed with the SEC covering such Underlying Shares (any such failure being referred to as a “Section 6.2(a) Event”), the Company shall pay in cash as liquidated damages for such failure and not as a penalty to the Purchaser an amount equal to two percent (2%) of the product of U.S. \$1.70 times the number of Shares purchased by the Purchaser pursuant to this Agreement (the “Damage Amount”). Payments to be made pursuant to this Section 6.2(a) shall be due and payable immediately upon demand in immediately available cash funds. The parties agree that the Damage Amount represents a reasonable estimate on the part of the parties, as of the date of this Agreement, of the amount of damages that will be incurred by the Purchaser if a Section 6.2(a) Event as described herein has occurred. Notwithstanding the foregoing, the Company shall remain obligated to cure the breach or correct the condition that caused the Section 6.2(a) Event to the extent otherwise consistent with its obligations under Section 6.1, and the Purchaser shall have the right to take any action necessary or desirable to enforce such obligations.

(b) The Company and the Purchaser agree that the Purchaser will suffer damages if the Registration Statement is not declared effective with respect to all of the Underlying Shares on or prior to the Effectiveness Deadline as set forth in Section 6.1(b). The Company and the Purchaser further agree that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, if the Registration Statement is not declared effective with respect to all of the Underlying Shares on or prior to the Effectiveness Deadline, the Company shall pay in cash as liquidated damages for such failure and not as a penalty to the Purchaser an amount equal to two percent (2%) of the product of U.S. \$1.70 times the number of Underlying Shares (as adjusted for any stock splits, stock dividends, recapitalizations, reclassifications, combinations or similar transactions) that the Purchaser obtained the right to acquire upon the purchase of the Shares and the Warrant pursuant to this Agreement and that were not registered under the Registration Statement (the “Effectiveness Damage Amount”); provided, however, that, with respect to the Underlying Shares that the Purchaser has the right to acquire upon exercise of the Warrant only, in no event shall any Effectiveness Damage Amount be due and payable with respect to any such Underlying Shares unless and until such time as the Registration Statement continues not to be effective with respect to some or all of such Underlying Shares and the closing per share market price of the Common Stock, as reported on the Nasdaq Global Market (or any successor exchange or other market on which the Common Stock is then traded), exceeds the then applicable per share “Exercise Price” of the Warrant. Payments to be made pursuant to this Section 6.2(b) shall be due and payable immediately upon demand in immediately available cash funds. The parties agree that the amounts set forth in this Section 6.2(b) represent a reasonable estimate on the part of the parties, as of the date of this Agreement, of the amount of damages that will be incurred by the Purchaser if the Registration Statement is not declared effective with respect to all of the Underlying Shares on or prior to its Effectiveness Deadline. Notwithstanding the foregoing, the Company shall remain obligated to

cause the Registration Statement to become effective in accordance with its obligations set forth in Section 6.1, and the Purchaser shall have the right to take any action necessary or desirable to enforce such obligations.

6.3 TRANSFER OF SECURITIES AFTER REGISTRATION; SUSPENSION.

(a) The Purchaser agrees that it will not effect any disposition of the Shares, Warrants or Underlying Shares that would constitute a sale within the meaning of the Securities Act, other than transactions exempt from the registration requirements of the Securities Act, except as contemplated in the Registration Statement referred to in Section 6.1 and as described below, and that it will promptly notify the Company of any changes in the information set forth in the Registration Statement regarding the Purchaser or its plan of distribution.

(b) Except in the event that paragraph (c) below applies, the Company shall: (i) if deemed necessary by the Company, prepare and file from time to time with the SEC a post-effective amendment to the Registration Statement or a supplement to the related Prospectus or a supplement or amendment to any document incorporated therein by reference or file any other required document so that such Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and so that, as thereafter delivered to purchasers of the Underlying Shares being sold thereunder, such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (ii) provide the Purchaser copies of any documents filed pursuant to Section 6.3(b)(i); and (iii) upon request, inform each Purchaser who so requests that the Company has complied with its obligations in Section 6.3(b)(i) (or that, if the Company has filed a post-effective amendment to the Registration Statement which has not yet been declared effective, the Company will notify the Purchaser to that effect, will use its reasonable efforts to secure the effectiveness of such post-effective amendment as promptly as possible and will promptly notify (but in any event within five (5) business days) the Purchaser pursuant to Section 6.3(b)(i) hereof when the amendment has become effective).

(c) Subject to paragraph (d) below, in the event: (i) of any request by the SEC or any other U.S. Federal or U.S. state governmental authority during the period of effectiveness of the Registration Statement for amendments or supplements to a Registration Statement or related Prospectus or for additional information; (ii) of the issuance by the SEC or any other Federal or state governmental authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose; (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Underlying Shares for sale in any jurisdiction or the initiation of any proceeding for such purpose; or (iv) that the financial statements included in the Registration Statement become ineligible for inclusion therein or in the event of the occurrence of any event or circumstance which the Company believes necessitates the making of any changes in the Registration Statement or Prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that, in the case of the Registration Statement, it will not

contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; then the Company shall promptly deliver a certificate in writing to the Purchaser (the "Suspension Notice") to the effect of the foregoing and, upon receipt of such Suspension Notice, the Purchaser will discontinue disposition of Underlying Shares pursuant to the Registration Statement (a "Suspension") until the Purchaser's receipt of copies of a supplemented or amended Prospectus prepared and filed by the Company, or until it is advised in writing by the Company that the current Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in any such Prospectus. In the event of any Suspension, the Company will use its reasonable best efforts to cause the use of the Prospectus so suspended to be resumed as soon as reasonably practicable within 30 days after delivery of a Suspension Notice to the Purchasers.

(d) Provided that a Suspension is not then in effect the Purchaser may sell Underlying Shares under the Registration Statement, provided that it arranges for delivery of a current Prospectus to the transferee of such Shares. Upon receipt of a request therefor, the Company will provide an adequate number of current Prospectuses to the Purchaser and to any other parties requiring such Prospectuses.

(e) In the event of a sale of Underlying Shares by the Purchaser, unless such requirement is waived by the Company in writing, the Purchaser must also deliver to the Company's transfer agent, with a copy to the Company, a "certificate of subsequent sale" in substantially in the form provided or approved by the Company, so that the Underlying Shares may be properly transferred.

6.4 INDEMNIFICATION.

(a) For the purpose of this Section 6.4:

(i) the term "Selling Stockholder" shall include the Purchaser, each of its members, partners, officers, directors, shareholders and each person, if any, who controls the Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act;

(ii) the term "Registration Statement" shall include any preliminary or final Prospectus, exhibit, supplement or amendment included in or relating to, and any document incorporated by reference in, the Registration Statement (or deemed to be a part thereof) referred to in Section 6.1; and

(iii) the term "Untrue Statement" shall include any untrue statement or alleged untrue statement, or any omission or alleged omission to state in the Registration Statement a material fact required to be stated therein or necessary to

make the statements therein, in the light of the circumstances under which they were made, not misleading.

(b) The Company agrees to indemnify and hold harmless each Selling Stockholder from and against any and all losses, claims, damages or liabilities (collectively, "Losses"), as incurred, to which such Selling Stockholder may become subject (under the Securities Act, the Exchange Act or otherwise) insofar as such Losses (or actions or proceedings in respect thereof) arise out of, or are based upon or related to (i) any untrue statement of a material fact contained in or omitted from the Registration Statement (ii) any material inaccuracy in the representations and warranties of the Company contained in the Agreement or the failure of the Company to perform its obligations hereunder, or (iii) any material failure by the Company to fulfill any material undertaking included in the Registration Statement, and the Company will reimburse such Selling Stockholder for any reasonable legal or other costs and expenses reasonably incurred in investigating, defending or preparing to defend any such action, proceeding or claim; provided, however, that the Company shall not be liable in any such case to the extent that such Loss arises out of, or is based upon or related to, an Untrue Statement made in such Registration Statement in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Selling Stockholder specifically for use in preparation of the Registration Statement or the failure of such Selling Stockholder to comply with his, her or its covenants and agreements contained in this Agreement or any statement or omission in any Prospectus that is corrected in any subsequent Prospectus that was delivered to the Purchaser prior to the pertinent sale or sales by the Purchaser.

(c) The Purchaser agrees (severally and not jointly with any other Purchaser) to indemnify and hold harmless the Company (and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act, each officer of the Company who signs the Registration Statement and each director of the Company) from and against any and all Losses to which the Company (or any such officer, director or controlling person) may become subject (under the Securities Act or otherwise), insofar as such Losses (or actions or proceedings in respect thereof) arise out of, or are based upon or related to, (i) any failure by the Purchaser to comply with his, her or its covenants and agreements contained in this Agreement, or (ii) any Untrue Statement of a material fact contained in or omitted from the Registration Statement if and only if such Untrue Statement was made in reliance upon and in conformity with written information furnished by or on behalf of the Purchaser specifically for use in preparation of the Registration Statement, and the Purchaser will reimburse the Company (or such officer, director or controlling person), as the case may be, for any legal or other expenses reasonably incurred in investigating, defending or preparing to defend any such action, proceeding or claim; provided, however, that the aggregate amount that the Purchaser shall be required to pay pursuant to this Section 6.4(c) shall in no event be greater than the amount of the net proceeds received by the Purchaser upon the sale of Underlying Shares pursuant to the Registration Statement giving rise to such Losses less amounts previously paid by the Purchaser with respect to any such Losses.

(d) Promptly after receipt by any indemnified person of a notice of a claim or the beginning of any action in respect of which indemnity is to be sought against an indemnifying person pursuant to this Section 6.4, such indemnified person shall notify the

indemnifying person in writing of such claim or of the commencement of such action, but the omission to so notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party under this Section 6.4 (except to the extent that such omission materially and adversely affects the indemnifying party's ability to defend such action) or from any liability otherwise than under this Section 6.4. Subject to the provisions hereinafter stated, in case any such action shall be brought against an indemnified person, the indemnifying person shall be entitled to participate therein, and, to the extent that it shall elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, shall be entitled to assume the defense thereof, with counsel reasonably satisfactory to such indemnified person. After notice from the indemnifying person to such indemnified person of its election to assume the defense thereof (unless it has failed to assume the defense thereof and appoint counsel reasonably satisfactory to the indemnified party), such indemnifying person shall not be liable to such indemnified person for any legal expenses subsequently incurred by such indemnified person in connection with the defense thereof, provided, however, that if there exists or shall exist a conflict of interest that would make it inappropriate, in the reasonable opinion of counsel to the indemnified person, for the same counsel to represent both the indemnified person and such indemnifying person or any affiliate or associate thereof, the indemnified person shall be entitled to retain its own counsel at the expense of such indemnifying person; provided, however, that no indemnifying person shall be responsible for the fees and expenses of more than one separate counsel (together with appropriate local counsel) for all indemnified parties. In no event shall any indemnifying person be liable in respect of any amounts paid in settlement of any action unless the indemnifying person shall have approved the terms of such settlement; provided that such consent shall not be unreasonably withheld. No indemnifying person shall, without the prior written consent of the indemnified person, effect any settlement of any pending or threatened proceeding in respect of which any indemnified person is or could reasonably have been a party and indemnification could have been sought hereunder by such indemnified person, unless such settlement includes an unconditional release of such indemnified person from all liability on claims that are the subject matter of such proceeding.

(e) If the indemnification provided for in this Section 6.4 is unavailable to an indemnified party under subsection (b) or (c) above in respect of any Losses (or actions or proceedings in respect thereof) referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such Losses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnified party on the one hand and the indemnifying party on the other in connection with the statements or omissions or other matters which resulted in such Losses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether any action in question, including any Untrue Statement, has been taken or made by, or relates to information supplied by, such indemnifying party or indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action or Untrue Statement. The Company and the Purchasers agree that it would not be just and equitable if contribution pursuant to this subsection (e) were determined by pro rata allocation (even if the Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take into account the equitable considerations referred to

above in this subsection (e). The amount paid or payable by an indemnified party as a result of the Losses (or actions in respect thereof) referred to above in this subsection (e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. The Purchasers' obligations in this subsection to contribute are several in proportion to their sales of Underlying Shares to which such loss relates and not joint. Notwithstanding anything to the contrary contained herein, the Purchaser shall be required to contribute under this Section 6.4(e) for only that amount as does not exceed the net proceeds to such Purchaser as a result of the sale of Underlying Shares pursuant to such Registration Statement.

(f) The parties to this Agreement hereby acknowledge that they are sophisticated business persons who were represented by counsel during the negotiations regarding the provisions hereof including, without limitation, the provisions of this Section 6.4, and are fully informed regarding such provisions. The parties further acknowledge that the provisions of this Section 6.4 fairly allocate the risks in light of the ability of the parties to investigate the Company and its business in order to assure that adequate disclosure is made in the Registration Statement as required by the Securities Act and the Exchange Act.

6.5 TERMINATION OF CONDITIONS AND OBLIGATIONS. The conditions precedent imposed by Section 4 or this Section 6 upon the transferability of the Underlying Shares shall cease and terminate as to any particular number of the Underlying Shares when the sale of such Underlying Shares shall have been effectively registered under the Securities Act and sold or otherwise disposed of in accordance with the intended method of disposition set forth in the Registration Statement covering such Shares or at such time as an opinion of counsel satisfactory to the Company shall have been rendered to the effect that such conditions are not necessary in order to comply with the Securities Act.

6.6 INFORMATION AVAILABLE. So long as the Registration Statement is effective covering the resale of Underlying Shares by the Purchaser, the Company will furnish to the Purchaser:

(a) as soon as practicable after it is available, one copy of (i) its Annual Report to Stockholders (which Annual Report shall contain financial statements audited in accordance with generally accepted accounting principles by a national firm of certified public accountants) and (ii) if not included in substance in the Annual Report to Stockholders, its Annual Report on Form 10-K (the foregoing, in each case, excluding exhibits);

(b) upon the reasonable request of the Purchaser, an adequate number of copies of the Prospectuses to supply to any other party requiring such Prospectuses; and the Company, upon the reasonable request of the Purchaser, will meet with the Purchaser or a representative thereof at the Company's headquarters to discuss all information relevant for disclosure in the Registration Statement covering the Underlying Shares and will otherwise cooperate with the Purchaser conducting an investigation for the purpose of reducing or eliminating the Purchaser's exposure to liability under the Securities Act, including the reasonable production of information at the Company's headquarters; provided, that the Company shall not be required to disclose any confidential information to or meet at its

headquarters with the Purchaser until and unless the Purchaser shall have entered into a confidentiality agreement in form and substance reasonably satisfactory to the Company with the Company with respect thereto.

6.7 TRANSFERABILITY OF REGISTRATION RIGHTS. The registration rights set forth in this Agreement are transferable to any transferee of Shares, Warrants or Underlying Shares, as applicable, so long as such transfer is made in compliance with the terms of this Agreement and such transferee consents in writing to be bound by the covenants set forth in Section 4 of this Agreement (to the extent reasonably applicable) and all of the terms and conditions of Section 6 this Agreement.

The undersigned (the "Purchaser"), hereby confirms its agreement with you as follows:

The Purchaser does hereby authorize the Company to complete such blanks and to substitute final documentary language consistent with the bracketed language at the Closing of the sale and purchase of the Shares and Warrants.**

3. The Company and the Purchaser agree that the Purchaser will purchase from the Company and the Company will issue and sell to the Purchaser (a) _____ Shares at a purchase price of US\$1.70 per Share, and (b) a Warrant to purchase the same number of shares of Common Stock at a purchase price of US\$0.00001 per Underlying Share for which the Warrant is exercisable, for an aggregate purchase price of US\$_____, pursuant to the Terms and Conditions for Purchase of Shares and Warrant attached hereto as Annex I and incorporated herein by this reference as if fully set forth herein. Unless otherwise requested by the Purchaser, the certificate or certificates representing the Shares and the Warrant purchased by the Purchaser will be registered in the Purchaser's name and address as set forth below.

reports filed by the Company under the U.S. Securities Exchange Act of 1934 between January 1, 2007 and April 16, 2007 (the “SEC Reports”), including without limitation the “Risk Factors” set forth under the caption “Item 1A. Risk Factors” commencing on page 11 of the above referenced Form 10-K. Further, the Purchaser acknowledges that it has received, read, and is familiar with the additional “Offering Risk Factors” included with the Company’s Disclosure Package that incorporates the SEC Reports (the “Offering Risk Factors”). Purchaser acknowledges that certain statements contained in the SEC Reports constitute “Forward-Looking Statements,” as referenced under the caption “Forward-Looking Statements” set forth in the introduction to the Form 10-K and, as described therein, Purchaser acknowledges that the Company’s actual results could differ materially from those anticipated in these forward-looking statements as a result of various factors, including the risk factors described under the caption “Risk Factors” and elsewhere in the Form 10-K, as well as the Offering Risk Factors. The Purchaser acknowledges that its investment in the Shares and the Warrant (as well as all Underlying Shares) are subject to the risk factors set forth in the Form 10-K, as well as the Offering Risk Factors.

5. The Purchaser hereby represents and warrants to the Company as follows:

(a) The Purchaser has adequate means of providing for Purchaser’s current needs and any unexpected needs in the future even without the funds that Purchaser might invest pursuant to this Agreement. The Purchaser neither has nor anticipates any need to sell the Shares or the Warrant in the foreseeable future. The Purchaser is able to bear the economic risks of this investment, is able to hold the Shares and the Warrant for an indefinite period of time, and has a sufficient net worth to sustain a loss of the entire investment in the Shares and the Warrant in the event that such a loss occurs. The Purchaser’s commitment in the Shares and the Warrant and other non-marketable investments will not be a disproportionate part of Purchaser’s net worth.

(b) The Purchaser, either alone or with one or more of its representatives, has such knowledge and experience in financial and business matters that the Purchaser is capable of evaluating the merits and risks of an investment in the Company.

(c) The Purchaser confirms that, if requested by Purchaser, all documents, records and books pertaining to this proposed investment in the Company have been made available to the Purchaser and his advisors, and they have made such examinations of the foregoing as the Purchaser and his advisors have deemed necessary in connection with such investment in the Company.

(d) The Purchaser has had an opportunity to ask questions of and receive answers from the officers of the Company concerning the terms and conditions of this investment, and such officers of the Company have answered all such questions to the full satisfaction of the Purchaser.

(e) The Shares and the Warrant (and any Underlying Shares) will be acquired for the Purchaser’s own account for investment, and not for the account of any other person nor with a view to resell, distribute, or participate in any distribution of the Shares, the Warrant or the Underlying Shares in a manner which would require the registration of the Shares, the Warrant or the Underlying Shares under the U.S. Securities Act of 1933, as amended (the “Securities Act”), or any applicable state securities laws.

(f) The Purchaser understands that no U.S. or other securities administrator has made any finding or determination relating to the merits or fairness of an investment in the Shares or the Warrant, and no such securities administrator has or will recommend or endorse any offering of the Shares or the Warrant.

(g) It has been called to the Purchaser's attention, both in this Agreement and by those individuals with whom the Purchaser has dealt in connection with investing in the Company, that the Purchaser's investment in the Company is a speculative investment and involves a degree of risk which might result in the loss of the Purchaser's entire investment. The Purchaser acknowledges that the Company has made available to the Purchaser or the Purchaser's representative(s) the opportunity to obtain additional information with which to evaluate the merits and risks of this investment. By reason of the Purchaser's business and financial experience, the Purchaser has acquired the capacity to protect the Purchaser's interest in investments of this nature. In reaching the conclusion that the Purchaser desires to acquire the Shares and the Warrant, the Purchaser has carefully evaluated its financial resources and investment position and the risks associated with this investment.

(h) In making the Purchaser's investment decision, the Purchaser has relied solely upon the Company's filings with the SEC and the representations and warranties of the Company contained herein, as well as any investigations of the Company made by the Purchaser and the Purchaser's representatives, if any. The Purchaser has received no representations from Chief China Resources, Ltd., the Company, or their respective principals, officer or directors other than the representations contained in this Agreement.

(i) No representations have been made to the Purchaser concerning projected results, expected yields or any other prospective information concerning operation of the Company.

(j) The Purchaser is not a "U.S. person" (as that term is defined in Regulation S ("Regulation S") promulgated under the Securities Act), and is not acting for the account or benefit of a "U.S. person."

(k) The Purchaser, if an individual, is a bona fide citizen and resident of the country set forth in the "Purchaser Information" section of this Agreement, and the addressees set forth in the "Purchaser Information" section of this Agreement are the true and correct business and home addresses of the Purchaser. The Purchaser, if not an individual, is a corporation, partnership, limited liability company, trust or other entity incorporated or otherwise organized in the jurisdiction set forth in the "Purchaser Information" section of this Agreement, and the address set forth in the "Purchaser Information" section of this Agreement is the true and correct business address of the Purchaser.

(l) Purchaser was not located in the United States at the time that (i) any offer to purchase the Shares and the Warrant was made to the Purchaser, and (ii) the buy order for the Shares and the Warrant was made.

6. The Purchaser hereby acknowledges and agrees to the following:

ANNEX I

TERMS AND CONDITIONS FOR PURCHASE OF SHARES AND WARRANT

1. AGREEMENT TO SELL AND PURCHASE THE SHARES AND WARRANT; SUBSCRIPTION DATE.

1.1 PURCHASE AND SALE. At the Closing (as defined in Section 2.1), the Company will sell and issue to the Purchaser, and the Purchaser will purchase and acquire from the Company, upon the terms and conditions hereinafter set forth, the number of Shares and the Warrant covering the indicated number of Underlying Shares, as referenced on the subscription pages to which these Terms and Conditions for Purchase of Shares and Warrant are attached as Annex I (the "Subscription Pages"), all at the purchase price set forth on such Subscription Pages.

1.2 OTHER PURCHASERS. As part of the Offering, the Company proposes to enter into substantially this same form of Stock and Warrant Purchase Agreement with certain other purchasers (the "Other Purchasers"), and the Company expects to complete sales of Shares and Warrants to them. The Purchaser and the Other Purchasers are hereinafter sometimes collectively referred to as the "Purchasers," and this Agreement and the Stock and Warrant Purchase Agreements executed by the Other Purchasers are hereinafter sometimes collectively referred to as the "Agreements." The Company will accept executed Agreements from Purchasers for the purchase of Shares and Warrants commencing upon April 16, 2007 and concluding upon the date (the "Subscription Date") on which the Company has notified (i) the Purchaser, with respect to the offer and sale of the Shares and Warrants inside the United States, or (ii) the Purchaser and/or the Company's placement consultant for the Shares and Warrants outside of the United States (the "Placement Consultant"), with respect to the offer and sale of the Shares and Warrants outside the United States, in each case, in writing that it is no longer accepting Agreements for the purchase of Shares and Warrants in the Offering.

1.3 PLACEMENT CONSULTANT FEE. The Purchaser acknowledges that the Company intends to pay the Placement Consultant a fee in respect of its placement activities in connection with the offer and sale of the Shares and Warrants outside the United States.

2. THE CLOSING.

2.1 DELIVERY OF THE SHARES AND WARRANTS AT CLOSING. The completion of the purchase and sale of the Shares and Warrants (the "Closing") shall occur at a place and time to be specified by the Company (the "Closing Date"). At the Closing, the Company shall deliver to the Purchaser (a) one or more stock certificates representing the number of Shares set forth on the Subscription Pages, and (b) a Warrant, duly executed by the Company, to purchase the number of Underlying Shares set forth on the Subscription Pages, each such certificate(s) and Warrant to be registered in the name of the Purchaser in accordance with the instructions set forth on the Subscription Pages.

2.2 CONDITIONS TO THE COMPANY'S OBLIGATION TO CLOSE. The Company's obligation to issue and sell the Shares and the Warrant described on the Subscription Pages to the Purchaser shall be subject to the following conditions, any one or more of which may be waived by the Company: (a) receipt by the Company of the purchase price for the Shares and the Warrant being purchased hereunder as set forth on the Subscription Pages; (b) completion of purchases and sales under the Agreements with the Other Purchasers; (c) the accuracy of the representations and warranties made by the Purchasers and the fulfillment of those undertakings of the Purchasers to be fulfilled prior to the Closing; (d) the Company's determination that the offer and sale of the Shares and Warrants does not require the approval of the Company's holders of Common Stock; and (e) the absence of any order, writ, injunction, judgment or decree that questions the validity of the Agreements or the right of any of the Purchasers to enter into such agreements or to consummate the transactions contemplated hereby and thereby.

2.3 CONDITIONS TO THE PURCHASER'S OBLIGATION TO CLOSE. The Purchaser's obligation to purchase the Shares and the Warrant described on the Subscription Pages shall be subject to the following conditions, any one or more of which may be waived by the Purchaser: (a) the representations and warranties of the Company contained in Section 3 being true and correct on and as of such Closing with the same effect as though such representations and warranties had been made on and as of the date of such Closing; (b) all authorizations, approvals or permits, if any, of any governmental authority or regulatory body of the United States or any state thereof that are required in connection with the lawful issuance and sale of the Shares and the Warrant pursuant to this Agreement shall be obtained and effective as of the Closing; (c) the Company shall have filed the Certificate of Designations with the Secretary of State of Delaware on or prior to the Closing, which shall continue to be in full force and effect as of the Closing; and (d) the absence of any order, writ, injunction, judgment or decree that questions the validity of the Agreements or the right of the Company to enter into such agreements or to consummate the transactions contemplated hereby and thereby.

2.4 ELECTION OF DIRECTOR. Unless the Nominating Committee of the Board of Directors does not approve the nomination of Mr. Ken Wang, within 10 business days following the Company's 2007 Annual Meeting of Common Stockholders the Company shall cause Mr. Wang to be elected to the Board of Directors of the Company. If the Nominating Committee does not so approve the nomination of Mr. Wang, then the Company shall promptly notify the Purchasers in writing to such effect and the holders of a majority of the Shares shall be entitled to nominate a substitute nominee within thirty (30) days of such notice by providing to the Company the name of the substitute nominee and the other information specified in Section 6 of the Certificate of Designations, in which event the substitute nominee shall be evaluated by the Nominating Committee and, if approved, the Company shall cause the substitute nominee to be elected to the Board of Directors. Mr. Wang or any substitute nominee shall be extended indemnification protection by the Company for his service as a director of the Company on terms substantially similar to the indemnification protection generally afforded other members of the Board of Directors. The position held by Mr. Wang or any substitute nominee on the Board of Directors shall thereafter be subject to the right of the holders of a majority of the Shares to designate an appropriate individual for nomination to the Board of Directors, as provided in Section 6 of the Certificate of Designations.

3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as otherwise described in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 (and any amendments thereto filed prior to the date hereof) (the "Form 10-K") and the Current Reports on Form 8-K and other reports filed between January 1, 2007 and April 16, 2007 with the U.S. Securities and Exchange Commission, which are included in the Disclosure Package distributed herewith (collectively, the "SEC Reports"), the Company represents and warrants to Purchaser on and as of the date hereof and as of the Closing as follows:

3.1 CORPORATE EXISTENCE AND POWER. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware, with the requisite corporate power and authority to own and use its properties and assets and to carry on its business as currently conducted. The Company is duly qualified to do business and is in good standing in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not, individually or in the aggregate have or result in a Material Adverse Effect (as defined below). The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by the Agreements, the Warrants and the Certificate of Designations as filed with the Secretary of State of the State of Delaware (collectively, the "Transaction Documents"), and otherwise to carry out its obligations hereunder and thereunder, including, without limitation, the issuance of the Shares and the Warrant and the subsequent issuance of the Underlying Shares upon conversion of the Shares and exercise of the Warrant. For purposes of this Agreement, "Material Adverse Effect" means a material adverse effect on the assets, businesses, properties, operations or financial condition of the Company and its subsidiaries, taken as a whole.

3.2 AUTHORIZATION; NO CONTRAVENTION. The execution, delivery and performance by the Company of the Agreements and each of the other Transaction Documents, the issuance and delivery of the Shares and the Warrant, and, upon conversion of the Shares or exercise of the Warrant (as applicable), the issuance and delivery of the Underlying Shares, and the performance of the transactions contemplated by the Agreements and the Transaction Documents (a) have been duly authorized by all necessary corporate or other action of the Company; (b) do not and will not violate or result in a violation of, conflict with or constitute or result in a default (whether after the giving of notice, lapse of time or both) or loss of benefit under any provision of the certificate of incorporation or the bylaws of the Company; (c) do not and will not violate or result in a violation of, conflict with or constitute or result in any breach, default or contravention of (or with due notice or lapse of time or both would result in any breach, default or contravention of), or loss of benefit under, any contract or obligation to which the Company or any of its subsidiaries is a party or by which its or any of its subsidiaries assets are bound, or cause the creation of any claim upon any of the assets of the Company, and do not and will not violate, conflict with or result in a violation of, or constitute a default (whether after the giving of notice, lapse of time or both) under, any judgment, injunction, writ, award, decree or order of any nature of, or any restriction imposed by, any court or governmental authority against, binding upon or otherwise applicable to the Company, or, to the Company's knowledge, any provision of United States law, regulation or rule, except where a waiver has been obtained for any such conflict or violation or any such conflict, violation, breach, default or contravention

has not resulted or would not reasonably be expected to result, individually or in the aggregate, in a Material Adverse Effect; (d) do not and will not require from the Company any notice to, declaration or filing with, or consent or approval of any United States federal or state governmental authority (other than such filings as may be required with the SEC, any U.S. state securities authorities or The Nasdaq Stock Market); and (e) do not and will not violate or result in a violation of, or constitute a default (whether after the giving of notice, lapse of time or both) under, accelerate any obligation under, or give rise to a right of termination of, any permit, license or authorization to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound.

3.3 BINDING EFFECT. The Agreements and the other Transaction Documents have been duly executed and all such agreements constitute the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity relating to enforceability (regardless of whether considered in a proceeding at law or in equity), and except that rights to indemnification and contribution may be limited by federal or state securities laws or public policy relating thereto.

3.4 CAPITALIZATION. The capitalization of the Company as of December 31, 2006 is as described in the Form 10-K. The Company has not issued any capital stock since January 1, 2007, other than pursuant to the exercise of employee and director stock options, if any, disclosed in the SEC Reports. The outstanding shares of capital stock of the Company have been duly and validly authorized and issued and are fully paid and nonassessable, and were not issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. Except for such options and warrants as were outstanding on December 31, 2006 and are as described in the Form 10-K, and such options as may have been issued or may be issued to the Company's directors, officers or employees under the Company's stock option or incentive plans, and such Warrants as may be sold under the Agreements, there are no outstanding subscriptions, commitments, rights (including, without limitation, preemptive rights, rights of first refusal, put or call rights or obligations), warrants or options to acquire, or instruments convertible into or exchangeable for, any unissued shares of capital stock or other equity interest in the Company, or any contract, commitment, agreement, understanding or arrangement of any kind, in either case to which the Company is a party and providing for the issuance or sale of any capital stock of the Company, any such convertible or exchangeable securities or any such rights, warrants or options. Without limiting the foregoing, no preemptive right, co-sale right, right of first refusal or other similar right exists with respect to the issuance and sale of the Shares, Warrants and Underlying Shares. Except as may be otherwise disclosed in the Form 10-K, there are no rights to have the Company's capital stock registered for sale to the public in connection with the laws of any jurisdiction, and there are no documents, instruments or agreements relating to the voting of the Company's voting securities or restrictions on the transfer of the Company's capital stock other than such documents, instruments or agreements expressly referenced herein.

3.5 AUTHORIZATION, VALIDITY AND ISSUANCE OF SECURITIES. The Shares and Warrants are duly and validly authorized, and when issued, sold and delivered to the Purchasers after payment therefor, will be validly issued and delivered, fully paid and non-assessable and not subject to any rights of first refusal, preemptive rights or similar rights, and

will be free and clear of all liens other than those created by the Transaction Documents. The Underlying Shares have been duly and validly authorized and reserved for issuance upon conversion of the Shares or exercise of the Warrants and, when issued in compliance with the provisions of the Shares or Warrants, will be validly issued, fully paid and non-assessable and not subject to any rights of first refusal, preemptive rights or similar rights, and will be free and clear of all liens other than those created by the Transaction Documents.

3.6 REPORTS; FINANCIAL STATEMENTS.

(a) The Common Stock is registered pursuant to Section 12 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act"), and is listed on Nasdaq. The SEC Reports constitute all reports, schedules, forms, statements and other documents required to be filed by the Company with the SEC pursuant to the reporting requirements of the Exchange Act, including pursuant to Sections 13, 14 or 15(d) thereof, since January 1, 2007. Nothing has come to the attention of the Company since such respective dates that would indicate that the SEC Reports are not true and correct in all material respects as of the applicable dates thereof.

(b) The audited consolidated financial statements of the Company and its subsidiaries (balance sheet and statements of operations, cash flow and shareholders' equity, together with the notes thereto) for the fiscal year ended December 31, 2006 set forth in the Form 10-K contains the unqualified report of the Company's independent certified public accountants (the "Company Financial Statements"), are true, complete and correct in all material respects, consistent in all material respects with the books and records of the Company and its subsidiaries, and have been prepared in accordance with United States Generally Accepted Accounting Principles ("GAAP") applied on a consistent basis throughout the periods indicated. Except as may be otherwise specified in the Company Financial Statements or the notes thereto, the Company Financial Statements fairly present in all material respects the financial condition, operating results and cash flows of the Company and its subsidiaries as of the dates and for the periods indicated in accordance with GAAP. Nothing has come to the attention of the Company since such respective dates that would indicate that any such financial statements are not true and correct in all material respects as of the applicable dates thereof.

3.7 NO MATERIAL ADVERSE CHANGE; ORDINARY COURSE OF BUSINESS. Except as set forth in the SEC Reports filed prior to the date hereof or as contemplated by the Transaction Documents or as set forth in the Company Financial Statements, (a) since January 1, 2007, neither the Company nor any of its subsidiaries has participated in any transaction (including, without limitation, amendments to or changes in its Certificate of Incorporation or Bylaws; incurrences, assumptions or guarantees of any debt for borrowed money; issuances or sales of securities, other than pursuant to compensatory plans; discharges or satisfactions of material liens; declarations or payments of dividends or distributions to stockholders; sales, assignments or transfers of material assets; waivers of any rights of substantial value; and

3.8 **BROKER'S, FINDER'S OR SIMILAR FEES.** Except for the fee due to the Placement Consultant in respect of its placement activities in connection with the offer and sale of the Shares and Warrants outside the United States, there are no brokerage commissions, finder's fees or similar fees or commissions payable by the Company in connection with the transactions contemplated hereby.

3.9 **TAX MATTERS.** The Company and its subsidiaries, (a) except where any failure has not had and could not reasonably be expected to have a Material Adverse Effect, have timely and properly filed all federal, state, local and foreign tax returns required to be filed by any of them through the date hereof and as of the closing, and all such tax returns filed by the Company or any such subsidiaries are true, correct and complete in all material respects; (b) have paid or caused to be paid all federal, state, local, foreign and other taxes, including without limitation, income taxes, estimated taxes, alternative minimum taxes, excise taxes, sales taxes, franchise taxes, employment and payroll related taxes, withholding taxes, transfer taxes, and all deficiencies, or other additions to tax, interest, fines and penalties owed by any of them (collectively, "Taxes"), required to be paid by any of them through the date hereof and as of the closing whether disputed or not, except Taxes that have not yet accrued or otherwise become due; and (c) and have not received notice of any audit or of any proposed deficiencies from the Internal Revenue Service or any other taxing authority (other than routine audits undertaken in the ordinary course and that have been finally resolved on or prior to the date hereof).

3.10 **INTELLECTUAL PROPERTY.** The Company or one or more of its subsidiaries exclusively owns or possesses adequate and enforceable rights to use all of the intellectual property assets (including, but not limited to, any and all patents, trademarks, trade names, trade dress, registered and unregistered trademarks and service marks, registered copyrights in both published and unpublished works, know-how, trade secrets and confidential or proprietary information (collectively, the "Intellectual Property Assets") necessary for the operation of its business.

3.11 LITIGATION. There is no litigation or governmental or administrative proceeding or investigation pending or, to the knowledge of the Company, threatened in writing against the Company or any of its subsidiaries or affecting the properties or assets of the Company or any of its subsidiaries, or, as to matters related to the Company or any of its subsidiaries, against any of their respective officers, directors or key employees, nor, to the knowledge of the Company, has there occurred any event or does there exist any condition on the basis of which any such claim may be asserted, that has had or could reasonably be expected to have a Material Adverse Effect.

3.12 NO DEFAULTS. The Company and its subsidiaries are not, nor have they received notice that they would be with the passage of time, giving of notice, or both, (a) in violation of any provision of their respective Certificates of Incorporation or Bylaws (or other applicable organizational documents) or (b) in default or violation of any material term, condition or provision of (i) any judgment, decree, order, injunction or stipulation applicable to the Company or its subsidiaries or (ii) any material agreement, note, mortgage, indenture, contract, lease or instrument, permit, concession, franchise or license to which the Company or its subsidiaries are a party or by which the Company or its subsidiaries or their properties or assets may be bound, and no circumstances exist which would entitle any party to any material agreement, note, mortgage, indenture, contract, lease or instrument to which the Company or its subsidiaries are a party, to terminate such, as a result of the Company or its subsidiaries having failed to meet any provision thereof which individually, or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

3.13 RESTRICTIONS ON BUSINESS ACTIVITIES. There is no judgment, injunction, order or decree binding upon the Company or its subsidiaries which has or could reasonably be expected to have the effect of prohibiting or materially impairing any business practice of the Company or its subsidiaries, any acquisition of property by the Company or its subsidiaries or the conduct of business by the Company or its subsidiaries as currently conducted or as currently proposed to be conducted by the Company.

3.14 INSURANCE. The insurance policies providing insurance coverage to the Company or its subsidiaries, including any policies in respect of product liability, are, in the reasonable opinion of the Company, adequate for the business conducted by the Company and its subsidiaries, taken as a whole. All of such policies are in full force and effect and are valid and enforceable in accordance with their terms, and the Company and its subsidiaries have complied with all material terms and conditions of such policies, including premium payments. None of the insurance carriers has indicated to the Company or its subsidiaries an intention to cancel any such policy.

3.15 LICENSES; COMPLIANCE WITH REGULATORY REQUIREMENTS. Except as disclosed in the SEC Reports, the Company holds all material authorizations, consents, approvals, franchises, licenses and permits required under applicable law or regulation for the operation of the business of the Company and its subsidiaries as presently operated (collectively, the "Governmental Authorizations"), except where the failure to hold any such Governmental Authorizations has since January 1, 2007 or could reasonably be expected to have a Material Adverse Effect.

3.16 DISCLOSURE. No representation or warranty made by the Company in this Agreement or the Transaction Documents or in any Schedule or Exhibit hereto or thereto, contains or will contain any untrue statement of a material fact, or omits to state a material fact necessary to make the statements or facts contained herein or therein not misleading in light of the circumstances under which they were furnished.

4. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PURCHASER.

4.1 PURCHASER ACKNOWLEDGEMENT. The Purchaser, for itself only, represents and warrants to, and covenants with, the Company that: (a) the Purchaser understands that the Shares and the Warrants (and the related Underlying Shares) are “restricted securities” and have not been registered under the Securities Act or under applicable state securities or blue sky laws and Purchaser is acquiring the number of Shares and Warrants set forth on the Subscription Pages in the ordinary course of its business and for its own account for investment only, and not with a view to, or for sale in connection with, any distribution thereof, nor with the intention of distributing or reselling same; provided, however, that by making the foregoing representation, the Purchaser does not agree to hold any of the securities for any minimum or other specific term, and reserves the right to dispose of the securities at any time in accordance with or pursuant to a Registration Statement or an exemption under the Securities Act; (b) the Purchaser will not, directly or indirectly, offer, sell, pledge, transfer or otherwise dispose of (or solicit any offers to buy, purchase or otherwise acquire or take a pledge of) any of the Shares or Warrants (or the related Underlying Shares) except in compliance with the Securities Act and other applicable securities laws and the respective rules and regulations promulgated thereunder; (c) the Purchaser has answered all questions on the Subscription Pages and the answers thereto are true and correct as of the date hereof and will be true and correct as of the Closing Date and the related information may be relied upon by the Company for inclusion in the Registration Statement; (d) the Purchaser will notify the Company immediately of any change in any of such information until such time as the Purchaser has sold all of its Underlying Shares or until the Company is no longer required to keep the Registration Statement effective; (e) the Purchaser has, in connection with its decision to purchase the number of Shares and Warrants set forth on the Subscription Pages, relied only upon the representations and warranties of the Company contained herein and the information set forth in the Disclosure Package, including the SEC Reports; and (f) the Company’s representations and warranties set forth in this Agreement are made only as of the date of this Agreement and the Closing Date, and Purchaser’s subsequent decision to convert the Shares into Underlying Shares or to exercise the Warrant for Underlying Shares are made in the sole discretion of the Purchaser in accordance with the terms of the Shares and Warrant and the Company hereby expressly disclaims any obligation to provide to the Purchaser any additional representations, warranties or information. Purchaser understands that the issuance of the Shares and Warrants to the Purchaser (and the issuance of the related Underlying Shares) has not been registered under the Securities Act, or registered or qualified under any other securities laws in reliance on specific exemptions therefrom, which exemptions may depend upon, among other things, the bona fide nature of the Purchaser’s investment intent as expressed herein. The Placement Consultant is not authorized to make any representation or use any information in connection with the placement, purchase and sale of the Shares and Warrants, and no person is authorized to provide any representation which is inconsistent or in addition to those in the Disclosure Package or the SEC Reports. The Purchaser acknowledges that it has not received or relied on any such representations.

4.2 REGISTRATION REQUIRED. The Purchaser hereby covenants with the Company not to make any sale of the Shares, Warrants or Underlying Shares without complying with the provisions of this Agreement, including Section 6.3 hereof, and without effectively causing the prospectus delivery requirement under the Securities Act to be satisfied (unless the Purchaser is selling its Underlying Shares in a transaction not subject to the prospectus delivery requirement), and the Purchaser acknowledges that the certificates evidencing the Shares, Warrants and Underlying Shares will be imprinted with a legend that prohibits their transfer except in accordance therewith. The Purchaser acknowledges that as set forth in, and subject to the provisions of, Section 6.3, there may occasionally be times when the Company, based on the advice of its counsel, determines that it must suspend the use of the prospectus forming a part of the Registration Statement until such time as an amendment to the Registration Statement has been filed by the Company and declared effective by the SEC or until the Company has amended or supplemented such prospectus.

4.3 POWER AND AUTHORITY. The Purchaser further represents and warrants to, and covenants with, the Company that (i) the Purchaser has full right, power, authority and capacity to enter into this Agreement and to consummate the transactions contemplated hereby and has taken all necessary action to authorize the execution, delivery and performance of this Agreement, and (ii) this Agreement constitutes a valid and binding obligation of the Purchaser enforceable against the Purchaser in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' and contracting parties' rights generally and except as enforceability may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and except as the indemnification agreements of the Purchasers herein may be legally unenforceable.

4.4 NO DISPOSITIONS. Except with the prior written consent of the Company, the Purchaser will not, prior to the effectiveness of the Registration Statement, engage in any hedging or other transaction which is designed to or could reasonably be expected to lead to or result in a disposition of Common Stock of the Company by the Purchaser or any other person or entity. Such prohibited hedging or other transactions would include, without limitation, effecting any short sale or having in effect any short position (whether or not such sale or position is against the box and regardless of when such position was entered into) or any purchase, sale or grant of any right (including, without limitation, any put or call option) with respect to the Common Stock of the Company or with respect to any security (other than a broad-based market basket or index) that includes, relates to or derives any significant part of its value from the Common Stock of the Company.

4.5 RECEIPT AND REVIEW OF DISCLOSURE PACKAGE. The Purchaser, either alone or with one or more advisers, has such knowledge and experience in financial and business matters that the Purchaser is capable of evaluating the merits and risks of an investment in the Company and has evaluated such merits and risks. Purchaser has received, read and is familiar with this Agreement (consisting of the Subscription Pages, Annex I and all exhibits hereto), including but not limited to the representations and warranties of the Company set forth in Section 3 of Annex I, and has had the opportunity to thoroughly review the Disclosure Package,

including the SEC Reports. The Purchaser confirms that it and its advisers have examined the foregoing materials as the Purchaser and its advisers have deemed necessary in connection with the investment in the Shares and Warrant. The Purchaser has had an opportunity to ask questions of and receive answers from the principals, officers and directors of the Company concerning the terms and conditions of the Offering, and such principals, officers and directors of the Company have answered all such questions to the full satisfaction of the Purchaser.

4.6 NO TAX OR LEGAL ADVICE. The Purchaser understands that nothing in this Agreement, or any other materials presented to the Purchaser in connection with the purchase and sale of Shares and Warrants constitutes legal, tax or investment advice. The Purchaser has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of Shares and Warrants.

5. SURVIVAL OF REPRESENTATIONS, WARRANTIES AND AGREEMENTS.

Notwithstanding any investigation made by any party to this Agreement or by the Placement Consultant, all covenants, agreements, representations and warranties made by the Company and the Purchaser herein shall survive the execution of this Agreement, the delivery to the Purchaser of the Shares and Warrants being purchased and the payment therefor.

6. REGISTRATION OF THE SHARES; COMPLIANCE WITH THE SECURITIES ACT.

6.1 REGISTRATION PROCEDURES AND EXPENSES. The Company shall:

(a) subject to receipt of necessary information from the Purchasers, prepare and file with the SEC, as soon as practicable, but in no event later than sixty (60) days after the Closing Date (such date, the "Filing Date"), a registration statement to enable the resale of all of the Underlying Shares (the "Registration Statement");

(b) use its reasonable best efforts, subject to the receipt of necessary information from the Purchasers, to cause the Registration Statement to become effective as soon as practicable after the filing thereof, but in any event within four (4) calendar months of the Closing Date if the Registration Statement is not reviewed by the SEC and within six (6) calendar months of the Closing Date if the Registration Statement is reviewed by the SEC (the "Effectiveness Deadline"); provided that if and to the extent that any of the Underlying Shares are not included in the Registration Statement at the time it is declared effective for reasons other than the failure of the Purchaser to furnish to the Company the information required by the next to last paragraph of this Section 6.1, the Company shall use its reasonable best efforts, subject to the receipt of necessary information from the Purchasers, to prepare and file with the SEC such additional Registration Statements as the Company in its reasonable judgment shall deem viable for the purpose of effectively registering for resale under the Securities Act all of the Underlying Shares;

(c) use its reasonable best efforts to prepare and file with the SEC such amendments and supplements to the Registration Statement and the prospectus used in connection therewith (the "Prospectus") as may be necessary to keep the Registration Statement

current and effective for a period from the date the Registration Statement is declared effective by the SEC until the earliest of (i) the date when all Underlying Shares covered by such Registration Statement have been sold and (ii) the date on which the Purchasers may sell all of the Underlying Shares acquired or which the Purchaser has the right to acquire without restriction pursuant to Rule 144(k) under the Securities Act (or any successor provision thereof having similar effect) (the “Effectiveness Period”);

(d) furnish, without charge, to the Purchaser with respect to the Underlying Shares registered under the Registration Statement such number of copies of the Registration Statement, each amendment and supplement thereto (in each case including all exhibits), Prospectuses (including supplemental prospectuses) and preliminary versions of the Prospectus filed with the SEC (“Preliminary Prospectuses”) in conformity with the requirements of the Securities Act and such other documents as the Purchaser may reasonably request, in order to facilitate the public sale or other disposition of all or any of the Underlying Shares by the Purchaser;

(e) file documents required of the Company for normal blue sky clearance in U.S. states reasonably specified in writing by the Purchaser prior to the effectiveness of the Registration Statement, provided, however, that the Company shall not be required to qualify to do business or consent to service of process in any jurisdiction in which it is not now so qualified or has not so consented;

(f) bear and pay all expenses (other than professional fees incurred by the Purchasers and underwriting discounts and commissions, if any) incident to the performance of or compliance with this Agreement by the Company under Section 6.1 or Section 6.3, whether or not the Registration Statement is filed or becomes effective and whether or not any Underlying Shares are sold pursuant to the Registration Statement;

(g) advise the Purchasers, promptly (but in any event within five (5) business days) after it shall receive notice or obtain knowledge of the issuance of any stop order by the SEC delaying or suspending the effectiveness of the Registration Statement or of the initiation of any proceeding for that purpose; and it will promptly use its commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal at the earliest possible moment if such stop order should be issued.

(h) use its reasonable best efforts to cause all such Underlying Shares covered by such Registration Statement to be listed on a national securities exchange or trading system and each securities exchange and trading system (if any) on which similar securities issued by the Company are then listed;

(i) provide a transfer agent and registrar for all Underlying Shares registered pursuant to this Agreement and provide a CUSIP number for all such Underlying Shares, in each case not later than the effective date of such registration;

(j) notify the Purchaser, promptly after the Company receives notice thereof (but in any event within five (5) business days), of the time when such Registration

Statement has been declared effective or a supplement to any Prospectus forming a part of such registration statement has been filed;

(k) cooperate with the Purchaser to facilitate the timely preparation and delivery of certificates representing the Underlying Shares sold pursuant to a Registration Statement, which certificates shall be free, to the extent sold in compliance with the “plan of distribution” set forth in the Registration Statement and to the extent permitted by applicable law and the Purchase Agreement, of all restrictive legends, and to enable such Underlying Shares to be in such denominations and registered in such names as any Purchaser may request; and

(l) with a view to making available to the Purchaser the benefits of Rule 144 (or its successor rule) and any other rule or regulation of the SEC that may at any time permit the Purchaser to sell the Underlying Shares to the public without registration, the Company covenants and agrees to: (i) make and keep public information available, as those terms are understood and defined in Rule 144, until the earlier of (A) such date as all of the Underlying Shares acquired or that may be acquired by the Purchaser may be resold pursuant to Rule 144(k) or any other rule of similar effect or (B) such date as all of the Underlying Shares acquired or that may be acquired by the Purchaser shall have been resold; (ii) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and (iii) furnish to the Purchaser upon request, as long as the Purchaser owns any Shares, Warrants or Underlying Shares, (A) a written statement by the Company that it has complied with the reporting requirements of the Securities Act and the Exchange Act, (B) a copy of the Company’s most recent Annual Report on Form 10-K or Quarterly Report on Form 10-Q, and (C) such other information as may be reasonably requested in order to avail the Purchaser of any rule or regulation of the SEC that permits the selling of any such Shares without registration.

It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 6.1 that the Purchaser shall furnish to the Company such information regarding himself, herself or itself, the Underlying Shares to be sold by such Purchaser pursuant to the Registration Statement, and the intended method of disposition of such Underlying Shares as shall be required to effect the registration thereof. If the Registration Statement refers to any Purchaser by name or otherwise as the holder of any securities of the Company, then such Purchaser shall have the right to require (if such reference to such Purchaser by name or otherwise is not required by the Securities Act or similar federal statute then in force) the deletion of the reference to such Purchaser in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

The Company understands that the Purchaser disclaims being an underwriter, but the Purchaser being deemed an underwriter by the SEC shall not relieve the Company of any obligations it has hereunder.

6.2 REGISTRATION DEFAULT PENALTIES

(a) The Company and the Purchaser agree that the Purchaser will suffer damages if the Registration Statement is not filed on or prior to the Filing Date and if the

Registration Statement is not maintained in the manner contemplated herein during the Effectiveness Period. The Company and the Purchaser further agree that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, if the Registration Statement is not filed on or prior to the Filing Date, or the Registration Statement is filed with and declared effective by the SEC but thereafter ceases to be effective as to the Underlying Shares covered thereby at any time prior to the expiration of the Effectiveness Period due to an intentional and willful act by the Company without being succeeded immediately by a subsequent Registration Statement filed with the SEC covering such Underlying Shares (any such failure being referred to as a “Section 6.2(a) Event”), the Company shall pay in cash as liquidated damages for such failure and not as a penalty to the Purchaser an amount equal to two percent (2%) of the product of U.S. \$1.70 times the number of Shares purchased by the Purchaser pursuant to this Agreement (the “Damage Amount”). Payments to be made pursuant to this Section 6.2(a) shall be due and payable immediately upon demand in immediately available cash funds. The parties agree that the Damage Amount represents a reasonable estimate on the part of the parties, as of the date of this Agreement, of the amount of damages that will be incurred by the Purchaser if a Section 6.2(a) Event as described herein has occurred. Notwithstanding the foregoing, the Company shall remain obligated to cure the breach or correct the condition that caused the Section 6.2(a) Event to the extent otherwise consistent with its obligations under Section 6.1, and the Purchaser shall have the right to take any action necessary or desirable to enforce such obligations.

(b) The Company and the Purchaser agree that the Purchaser will suffer damages if the Registration Statement is not declared effective with respect to all of the Underlying Shares on or prior to the Effectiveness Deadline as set forth in Section 6.1(b). The Company and the Purchaser further agree that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, if the Registration Statement is not declared effective with respect to all of the Underlying Shares on or prior to the Effectiveness Deadline, the Company shall pay in cash as liquidated damages for such failure and not as a penalty to the Purchaser an amount equal to two percent (2%) of the product of U.S. \$1.70 times the number of Underlying Shares (as adjusted for any stock splits, stock dividends, recapitalizations, reclassifications, combinations or similar transactions) that the Purchaser obtained the right to acquire upon the purchase of the Shares and the Warrant pursuant to this Agreement and that were not registered under the Registration Statement (the “Effectiveness Damage Amount”); provided, however, that, with respect to the Underlying Shares that the Purchaser has the right to acquire upon exercise of the Warrant only, in no event shall any Effectiveness Damage Amount be due and payable with respect to any such Underlying Shares unless and until such time as the Registration Statement continues not to be effective with respect to some or all of such Underlying Shares and the closing per share market price of the Common Stock, as reported on the Nasdaq Global Market (or any successor exchange or other market on which the Common Stock is then traded), exceeds the then applicable per share “Exercise Price” of the Warrant. Payments to be made pursuant to this Section 6.2(b) shall be due and payable immediately upon demand in immediately available cash funds. The parties agree that the amounts set forth in this Section 6.2(b) represent a reasonable estimate on the part of the parties, as of the date of this Agreement, of the amount of damages that will be incurred by the Purchaser if the Registration Statement is not declared effective with respect to all of the Underlying Shares on or prior to its Effectiveness Deadline. Notwithstanding the foregoing, the Company shall remain obligated to

cause the Registration Statement to become effective in accordance with its obligations set forth in Section 6.1, and the Purchaser shall have the right to take any action necessary or desirable to enforce such obligations.

6.3 TRANSFER OF SECURITIES AFTER REGISTRATION; SUSPENSION.

(a) The Purchaser agrees that it will not effect any disposition of the Shares, Warrants or Underlying Shares that would constitute a sale within the meaning of the Securities Act, other than transactions exempt from the registration requirements of the Securities Act, except as contemplated in the Registration Statement referred to in Section 6.1 and as described below, and that it will promptly notify the Company of any changes in the information set forth in the Registration Statement regarding the Purchaser or its plan of distribution.

(b) Except in the event that paragraph (c) below applies, the Company shall: (i) if deemed necessary by the Company, prepare and file from time to time with the SEC a post-effective amendment to the Registration Statement or a supplement to the related Prospectus or a supplement or amendment to any document incorporated therein by reference or file any other required document so that such Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and so that, as thereafter delivered to purchasers of the Underlying Shares being sold thereunder, such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (ii) provide the Purchaser copies of any documents filed pursuant to Section 6.3(b)(i); and (iii) upon request, inform each Purchaser who so requests that the Company has complied with its obligations in Section 6.3(b)(i) (or that, if the Company has filed a post-effective amendment to the Registration Statement which has not yet been declared effective, the Company will notify the Purchaser to that effect, will use its reasonable efforts to secure the effectiveness of such post-effective amendment as promptly as possible and will promptly notify (but in any event within five (5) business days) the Purchaser pursuant to Section 6.3(b)(i) hereof when the amendment has become effective).

(c) Subject to paragraph (d) below, in the event: (i) of any request by the SEC or any other U.S. Federal or U.S. state governmental authority during the period of effectiveness of the Registration Statement for amendments or supplements to a Registration Statement or related Prospectus or for additional information; (ii) of the issuance by the SEC or any other Federal or state governmental authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose; (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Underlying Shares for sale in any jurisdiction or the initiation of any proceeding for such purpose; or (iv) that the financial statements included in the Registration Statement become ineligible for inclusion therein or in the event of the occurrence of any event or circumstance which the Company believes necessitates the making of any changes in the Registration Statement or Prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that, in the case of the Registration Statement, it will not

contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; then the Company shall promptly deliver a certificate in writing to the Purchaser (the "Suspension Notice") to the effect of the foregoing and, upon receipt of such Suspension Notice, the Purchaser will discontinue disposition of Underlying Shares pursuant to the Registration Statement (a "Suspension") until the Purchaser's receipt of copies of a supplemented or amended Prospectus prepared and filed by the Company, or until it is advised in writing by the Company that the current Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in any such Prospectus. In the event of any Suspension, the Company will use its reasonable best efforts to cause the use of the Prospectus so suspended to be resumed as soon as reasonably practicable within 30 days after delivery of a Suspension Notice to the Purchasers.

(d) Provided that a Suspension is not then in effect the Purchaser may sell Underlying Shares under the Registration Statement, provided that it arranges for delivery of a current Prospectus to the transferee of such Shares. Upon receipt of a request therefor, the Company will provide an adequate number of current Prospectuses to the Purchaser and to any other parties requiring such Prospectuses.

(e) In the event of a sale of Underlying Shares by the Purchaser, unless such requirement is waived by the Company in writing, the Purchaser must also deliver to the Company's transfer agent, with a copy to the Company, a "certificate of subsequent sale" in substantially in the form provided or approved by the Company, so that the Underlying Shares may be properly transferred.

6.4 INDEMNIFICATION.

(a) For the purpose of this Section 6.4:

(i) the term "Selling Stockholder" shall include the Purchaser, each of its members, partners, officers, directors, shareholders and each person, if any, who controls the Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act;

(ii) the term "Registration Statement" shall include any preliminary or final Prospectus, exhibit, supplement or amendment included in or relating to, and any document incorporated by reference in, the Registration Statement (or deemed to be a part thereof) referred to in Section 6.1; and

(iii) the term "Untrue Statement" shall include any untrue statement or alleged untrue statement, or any omission or alleged omission to state in the Registration Statement a material fact required to be stated therein or necessary to

make the statements therein, in the light of the circumstances under which they were made, not misleading.

(b) The Company agrees to indemnify and hold harmless each Selling Stockholder from and against any and all losses, claims, damages or liabilities (collectively, "Losses"), as incurred, to which such Selling Stockholder may become subject (under the Securities Act, the Exchange Act or otherwise) insofar as such Losses (or actions or proceedings in respect thereof) arise out of, or are based upon or related to (i) any untrue statement of a material fact contained in or omitted from the Registration Statement (ii) any material inaccuracy in the representations and warranties of the Company contained in the Agreement or the failure of the Company to perform its obligations hereunder, or (iii) any material failure by the Company to fulfill any material undertaking included in the Registration Statement, and the Company will reimburse such Selling Stockholder for any reasonable legal or other costs and expenses reasonably incurred in investigating, defending or preparing to defend any such action, proceeding or claim; provided, however, that the Company shall not be liable in any such case to the extent that such Loss arises out of, or is based upon or related to, an Untrue Statement made in such Registration Statement in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Selling Stockholder specifically for use in preparation of the Registration Statement or the failure of such Selling Stockholder to comply with his, her or its covenants and agreements contained in this Agreement or any statement or omission in any Prospectus that is corrected in any subsequent Prospectus that was delivered to the Purchaser prior to the pertinent sale or sales by the Purchaser.

(c) The Purchaser agrees (severally and not jointly with any other Purchaser) to indemnify and hold harmless the Company (and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act, each officer of the Company who signs the Registration Statement and each director of the Company) from and against any and all Losses to which the Company (or any such officer, director or controlling person) may become subject (under the Securities Act or otherwise), insofar as such Losses (or actions or proceedings in respect thereof) arise out of, or are based upon or related to, (i) any failure by the Purchaser to comply with his, her or its covenants and agreements contained in this Agreement, or (ii) any Untrue Statement of a material fact contained in or omitted from the Registration Statement if and only if such Untrue Statement was made in reliance upon and in conformity with written information furnished by or on behalf of the Purchaser specifically for use in preparation of the Registration Statement, and the Purchaser will reimburse the Company (or such officer, director or controlling person), as the case may be, for any legal or other expenses reasonably incurred in investigating, defending or preparing to defend any such action, proceeding or claim; provided, however, that the aggregate amount that the Purchaser shall be required to pay pursuant to this Section 6.4(c) shall in no event be greater than the amount of the net proceeds received by the Purchaser upon the sale of Underlying Shares pursuant to the Registration Statement giving rise to such Losses less amounts previously paid by the Purchaser with respect to any such Losses.

(d) Promptly after receipt by any indemnified person of a notice of a claim or the beginning of any action in respect of which indemnity is to be sought against an indemnifying person pursuant to this Section 6.4, such indemnified person shall notify the

indemnifying person in writing of such claim or of the commencement of such action, but the omission to so notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party under this Section 6.4 (except to the extent that such omission materially and adversely affects the indemnifying party's ability to defend such action) or from any liability otherwise than under this Section 6.4. Subject to the provisions hereinafter stated, in case any such action shall be brought against an indemnified person, the indemnifying person shall be entitled to participate therein, and, to the extent that it shall elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, shall be entitled to assume the defense thereof, with counsel reasonably satisfactory to such indemnified person. After notice from the indemnifying person to such indemnified person of its election to assume the defense thereof (unless it has failed to assume the defense thereof and appoint counsel reasonably satisfactory to the indemnified party), such indemnifying person shall not be liable to such indemnified person for any legal expenses subsequently incurred by such indemnified person in connection with the defense thereof, provided, however, that if there exists or shall exist a conflict of interest that would make it inappropriate, in the reasonable opinion of counsel to the indemnified person, for the same counsel to represent both the indemnified person and such indemnifying person or any affiliate or associate thereof, the indemnified person shall be entitled to retain its own counsel at the expense of such indemnifying person; provided, however, that no indemnifying person shall be responsible for the fees and expenses of more than one separate counsel (together with appropriate local counsel) for all indemnified parties. In no event shall any indemnifying person be liable in respect of any amounts paid in settlement of any action unless the indemnifying person shall have approved the terms of such settlement; provided that such consent shall not be unreasonably withheld. No indemnifying person shall, without the prior written consent of the indemnified person, effect any settlement of any pending or threatened proceeding in respect of which any indemnified person is or could reasonably have been a party and indemnification could have been sought hereunder by such indemnified person, unless such settlement includes an unconditional release of such indemnified person from all liability on claims that are the subject matter of such proceeding.

(e) If the indemnification provided for in this Section 6.4 is unavailable to an indemnified party under subsection (b) or (c) above in respect of any Losses (or actions or proceedings in respect thereof) referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such Losses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnified party on the one hand and the indemnifying party on the other in connection with the statements or omissions or other matters which resulted in such Losses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether any action in question, including any Untrue Statement, has been taken or made by, or relates to information supplied by, such indemnifying party or indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action or Untrue Statement. The Company and the Purchasers agree that it would not be just and equitable if contribution pursuant to this subsection (e) were determined by pro rata allocation (even if the Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take into account the equitable considerations referred to

above in this subsection (e). The amount paid or payable by an indemnified party as a result of the Losses (or actions in respect thereof) referred to above in this subsection (e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. The Purchasers' obligations in this subsection to contribute are several in proportion to their sales of Underlying Shares to which such loss relates and not joint. Notwithstanding anything to the contrary contained herein, the Purchaser shall be required to contribute under this Section 6.4(e) for only that amount as does not exceed the net proceeds to such Purchaser as a result of the sale of Underlying Shares pursuant to such Registration Statement.

(f) The parties to this Agreement hereby acknowledge that they are sophisticated business persons who were represented by counsel during the negotiations regarding the provisions hereof including, without limitation, the provisions of this Section 6.4, and are fully informed regarding such provisions. The parties further acknowledge that the provisions of this Section 6.4 fairly allocate the risks in light of the ability of the parties to investigate the Company and its business in order to assure that adequate disclosure is made in the Registration Statement as required by the Securities Act and the Exchange Act.

6.5 TERMINATION OF CONDITIONS AND OBLIGATIONS. The conditions precedent imposed by Section 4 or this Section 6 upon the transferability of the Underlying Shares shall cease and terminate as to any particular number of the Underlying Shares when the sale of such Underlying Shares shall have been effectively registered under the Securities Act and sold or otherwise disposed of in accordance with the intended method of disposition set forth in the Registration Statement covering such Shares or at such time as an opinion of counsel satisfactory to the Company shall have been rendered to the effect that such conditions are not necessary in order to comply with the Securities Act.

6.6 INFORMATION AVAILABLE. So long as the Registration Statement is effective covering the resale of Underlying Shares by the Purchaser, the Company will furnish to the Purchaser:

(a) as soon as practicable after it is available, one copy of (i) its Annual Report to Stockholders (which Annual Report shall contain financial statements audited in accordance with generally accepted accounting principles by a national firm of certified public accountants) and (ii) if not included in substance in the Annual Report to Stockholders, its Annual Report on Form 10-K (the foregoing, in each case, excluding exhibits);

(b) upon the reasonable request of the Purchaser, an adequate number of copies of the Prospectuses to supply to any other party requiring such Prospectuses; and the Company, upon the reasonable request of the Purchaser, will meet with the Purchaser or a representative thereof at the Company's headquarters to discuss all information relevant for disclosure in the Registration Statement covering the Underlying Shares and will otherwise cooperate with the Purchaser conducting an investigation for the purpose of reducing or eliminating the Purchaser's exposure to liability under the Securities Act, including the reasonable production of information at the Company's headquarters; provided, that the Company shall not be required to disclose any confidential information to or meet at its

headquarters with the Purchaser until and unless the Purchaser shall have entered into a confidentiality agreement in form and substance reasonably satisfactory to the Company with the Company with respect thereto.

6.7 TRANSFERABILITY OF REGISTRATION RIGHTS. The registration rights set forth in this Agreement are transferable to any transferee of Shares, Warrants or Underlying Shares, as applicable, so long as such transfer is made in compliance with the terms of this Agreement and such transferee consents in writing to be bound by the covenants set forth in Section 4 of this Agreement (to the extent reasonably applicable) and all of the terms and conditions of Section 6 this Agreement.

7. NOTICES. All notices, requests, consents and other communications hereunder shall be in writing, shall be mailed (A) if within domestic United States by first-class registered or certified airmail, or nationally recognized overnight express courier, postage prepaid, or by facsimile, or (B) if delivered to or from a location outside the United States, by International Federal Express (or comparable service) or facsimile or email, and shall be deemed given (i) if delivered by first-class registered or certified mail domestic, three business days after so mailed, (ii) if delivered by nationally recognized overnight carrier, one (1) business day after so mailed, (iii) if delivered by International Federal Express (or comparable service), two (2) business days after so mailed, (iv) if delivered by facsimile or email, upon electric confirmation of receipt and shall be delivered as addressed as follows:

9. LANGUAGE. This Agreement (including the Subscription Pages) is set forth in the English language, which shall control over any versions of this Agreement in any other language. Either party may at its own expense prepare versions of this Agreement and the other Transaction Documents in any other language that are deemed necessary, advisable or appropriate.

10. HEADINGS. The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be part of this Agreement.

11. SEVERABILITY. In case any provision contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.

12. GOVERNING LAW. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, U.S.A., without giving effect to the principles of conflicts of law.

13. FORUM SELECTION. The Company and Purchasers agree that any dispute, controversy of claim arising out of or relating to this Agreement, or the breach, termination or invalidity hereof shall be subject to the exclusive jurisdiction and venue of the federal and state courts located in the United States, and the Company and the Purchasers do hereby consent to the personal and exclusive jurisdiction of these courts.

14. FEES AND EXPENSES. Each party hereto shall be solely responsible for the fees and expenses incurred by such party in connection with the Offering.

15. COUNTERPARTS. This Agreement may be executed in two or more counterparts, each of which shall constitute an original, but all of which, when taken together, shall constitute but one instrument, and shall become effective when one or more counterparts have been signed by each party hereto and delivered to the other parties.

16. CONFIDENTIAL DISCLOSURE AGREEMENT. Notwithstanding any provision of this Agreement to the contrary, any confidential disclosure agreement previously executed by the Company and the Purchaser in connection with the transactions contemplated by this Agreement shall remain in full force and effect in accordance with its terms following the execution of this Agreement and the consummation of the transactions contemplated hereby; provided, that the confidentiality obligations set forth in any such confidential disclosure agreement shall not apply to any information that is part of the public knowledge or literature (other than by reason of a breach of such confidential disclosure agreement).

Hedging transactions involving this Warrant or the shares of the Company's Common Stock are prohibited, unless such transactions are conducted in compliance with the Securities Act.]

This Warrant and the Common Stock issuable upon exercise hereof may be subject to certain rights and obligations provided for in that certain Stock and Warrant Purchase Agreement (the "Purchase Agreement") dated May 4, 2007, between the Company, the initial Holder of this Warrant and the initial holders of other similar warrants. Such rights and obligations under the Purchase Agreement include certain obligations of the Company to register the resale of the Common Stock issuable upon exercise hereof. A copy of the Purchase Agreement shall be furnished without charge by the issuer hereof to the Holder hereof upon written request.

This Warrant No. _____ (together with any warrants hereafter issued in exchange or substitution herefor, the "Warrant") certifies that for value received, _____ (including any permitted assigns or transferees, the "Holder") is entitled to subscribe for and purchase from Natural Health Trends Corp., a Delaware Corporation (the "Company"), in whole or in part, at any time and from time to time during the Exercise Period (as defined in Section 1(a) below), _____ shares of duly authorized, validly issued, fully paid and non-assessable of common stock of the Company, par value US\$0.001 per share (the common stock, including any stock into which it may be changed, reclassified or converted, is hereinafter referred to as the "Common Stock"), at the initial exercise price set forth in Section 1(d) below, subject, however, to the provisions and upon the terms and subject to the conditions hereinafter set forth. The number of shares of Common Stock purchasable hereunder and the exercise price therefor are subject to adjustment as hereinafter set forth. This Warrant and all rights hereunder shall expire at 5:00 p.m., Dallas, Texas time on May 4, 2013.

1. Exercise of Warrant.

(a) Subject to the terms and conditions set forth herein, the Holder shall have the right, at his, her or its option, to exercise this Warrant, in whole or in part, at any time during the period (the "Exercise Period") commencing on the date that is six (6) months after the date hereof (the "Issue Date") and ending on May 4, 2013 (the "Expiration Date"). To exercise the Warrant, the Holder shall deliver to the principal office of Company (i) a notice of exercise substantially in the form attached hereto as Schedule I (the "Notice of Exercise") properly completed and executed, (ii) an amount in cash equal to the Exercise Price, (iii) this Warrant; and **[FOR U.S. WARRANT PURCHASERS: (iv) such documentation as the Company may reasonably require in connection with establishing an exemption from registration under federal and state securities law for the issuance of shares of Common Stock to Holder upon the exercise hereof, including, without limitation, an investor questionnaire, and a letter of securities law representations and warranties concerning Holder and Holder's investment in such securities.] [FOR NON-U.S. WARRANT PURCHASERS: (iv) such documentation as the Company may reasonably require, including (x) a written certification that the holder is not a "U.S. person" (as defined in Regulation S) and that the Warrant is not being exercised on behalf of a "U.S. person," or (y) a written opinion of counsel to the effect that the Warrant and the shares of Common Stock issuable upon exercise hereof have been registered under the Securities Act or are exempt from registration thereunder.]** At the option of the Holder, payment of the Exercise Price shall be made: (A) by wire transfer of funds to a bank account designated by the Company for such purpose; or (B) by certified or official bank check payable to the order of the Company. Notwithstanding anything contained in this Warrant, the Holder shall not be entitled to exercise this Warrant to the extent that such exercise, when aggregated with any shares of Common Stock then beneficially owned by the Holder (as beneficial ownership is determined pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended), would result in a "change of control" of the Company within the meaning of Nasdaq Marketplace Rule 4350(i)(1)(B) (unless any such change in control is approved by the Company's stockholders in compliance with applicable Nasdaq Marketplace Rules).

(b) Upon receipt of the required deliveries, the Company shall, as promptly as practicable and no later than five (5) business days after receipt of the Notice of Exercise, cause to be issued and delivered to the Holder, subject to the terms of the Purchase Agreement, a certificate or certificates representing shares of Common Stock equal in the aggregate to the number of shares of Common Stock specified in the Notice of Exercise. In the event that the rights evidenced by this certificate are exercised in part, the Company will, contemporaneously with the issuance of the shares of Common Stock issuable upon the exercise of the Warrant so exercised, issue to the Holder a new Warrant representing the portion of the Warrant that shall not have been exercised, in all other respects identical to this Warrant. The shares of Common Stock so purchased shall be deemed to be issued to the Holder, as the record owner of such shares, as of the close of business on the Exercise Date. The Company shall pay all expenses, taxes and other charges (including, without limitation, all documentary, stamp, transfer or other transactional taxes, but excluding income taxes) attributable to the preparation, issuance, execution and delivery of the Warrant and of the shares of Common Stock issuable upon exercise of the Warrant.

(c) Except as otherwise provided in this Section 1(c), and unless and until the shares of Common Stock issued upon the exercise of the Warrant are transferred in compliance with an effective "Registration Statement" (as defined in the Purchase Agreement), each certificate for shares of Common Stock initially issued upon the exercise of this Warrant, and each certificate for shares of Common Stock issued to any subsequent transferee of any such certificate, shall be stamped or otherwise imprinted with a legend in substantially the following form:

[FOR U.S. WARRANT PURCHASERS: "The shares represented by this certificate have not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), or any other securities laws. No transfer of the shares represented by this certificate shall be valid or effective unless (a) such transfer is made pursuant to an effective registration statement under the Securities Act and in compliance with any applicable securities laws, or (b) the Holder shall deliver to the Company an opinion of counsel in form and substance reasonably acceptable to the Company that such proposed transfer is exempt from the registration requirements of the Securities Act and of any applicable securities laws."]

[FOR NON-U.S. WARRANT PURCHASERS: "The shares represented by this certificate have not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), or any other securities laws. No transfer of the shares represented by this certificate shall be valid or effective unless (a) such transfer is made pursuant to an effective registration statement under the Securities Act and in compliance with any applicable securities laws, or (b) the Holder shall deliver to the Company an opinion of counsel in form and substance reasonably acceptable to the Company that such proposed transfer is exempt from the registration requirements of the Securities Act and of any applicable securities laws, whether pursuant to the provisions of Regulation S promulgated under the Securities Act or otherwise. Hedging transactions involving shares Company's Common Stock

are prohibited, unless such transactions are conducted in compliance with the Securities Act.”]

[FOR CANADIAN PURCHASERS: “Unless permitted under applicable securities legislation, the holder of this security must not trade the security before the date that is 4 months and a day after the later of (i) May 4, 2007 and (ii) the date the issuer became a reporting issuer in any province or territory of Canada. ”]

[FOR ALL PURCHASERS: “The shares represented by this certificate may be subject to certain rights and obligations provided for in that certain Stock and Warrant Purchase Agreement (the “Purchase Agreement”) dated May 4, 2007, between the Company and certain purchasers of Warrants and Series A Preferred Stock of the Company. Such rights and obligations under the Purchase Agreement include certain obligations of the Company to register the resale of the Common Stock. A copy of the Purchase Agreement shall be furnished without charge by the issuer hereof to the holder hereof upon written request.”]

Except as otherwise provided in this Section 1(c), each new Warrant issued under Section 6 hereof shall be stamped or otherwise imprinted with a legend in substantially the form first set forth above on this Warrant.

Notwithstanding the foregoing, the legend requirements of this Section 1(c) shall terminate as to any particular Warrant or related shares of Common Stock when the Company shall have received from the Holder thereof an opinion of counsel in form and substance reasonably acceptable to the Company that such legend is not required in order to ensure compliance with the Securities Act, any applicable securities laws and the terms of the Purchase Agreement. Whenever the restrictions imposed by this Section 1(c) shall terminate, the Holder of this Warrant or the related shares of Common Stock, as the case may be, shall be entitled to receive from the Company without cost to such Holder, a new Warrant or stock certificate of like tenor, as the case may be, without such restrictive legend.

(d) The “Exercise Price” of the Warrant shall be determined based on the Exercise Date, and shall be subject to adjustment pursuant to Section 2 hereof. If the Exercise Date is less than three years after the Issue Date, the Exercise Price shall be US\$3.80 per share. If the Exercise Date is at least three years, but less than four years and six months, after the Issue Date, the Exercise Price shall be US\$4.35 per share. If the Exercise Date is at least four years and six months after the Issue Date, the Exercise Price shall be US\$5.00.

2. Adjustment of Exercise Price and Number of Shares. The Exercise Price and the number of shares of Common Stock obtainable upon exercise of this Warrant shall be subject to adjustment from time to time as provided in this Section 2.

(a) If the Company at any time after the Issue Date: (i) pays or makes a stock dividend or makes a distribution on its Common Stock in shares of Common Stock or shares of the Company’s capital stock other than Common Stock, (ii) subdivides outstanding shares of

Common Stock into a larger number of shares, (iii) issues any shares of Common Stock by reclassification of shares of Common Stock, or (iv) effects a reverse stock split of Common Stock, then this Warrant shall thereafter be exercisable for that number of shares that would have derived had the Warrant been exercised immediately prior to the events listed in (i), (ii), (iii) or (iv) above (and the Exercise Price thereof shall be correspondingly adjusted). In the case of a subdivision or re-classification, any adjustment made pursuant to this Section 2(a) shall become effective immediately after the effective date of such subdivision or re-classification. Such adjustments shall be made successively whenever any event listed above shall occur.

(b) If at any time after the Issue Date, the Common Stock issuable upon the exercise of the Warrant is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification, exchange, substitution or otherwise, and other than a capital reorganization, merger or consolidation (the adjustment for which is provided for in Section 2(c)), in any such event the Holder shall have the right thereafter to exercise this Warrant into the kind and amount of stock and other securities and property receivable in connection with such recapitalization, reclassification or other change that it would have been entitled to receive had it exercised this Warrant immediately prior to such recapitalization, reclassification, exchange, substitution or other event, all subject to further adjustments as provided herein or with respect to such other securities or property by the terms thereof (and the Exercise Price of this Warrant shall be correspondingly adjusted).

(c) If at any time after the Issue Date, the Common Stock is converted into other securities or property pursuant to a capital reorganization, merger or consolidation in which the Company is not the continuing corporation (a "Fundamental Transaction"), then the Holder shall have the right thereafter to exercise this Warrant into the kind and amount of stock and other securities and property receivable in connection with such Fundamental Transaction that it would have been entitled to receive had it exercised this Warrant immediately prior to such Fundamental Transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors of the Company) shall be made to the terms of this Warrant to the end that the provisions in this Section 2 shall thereafter be applicable, as nearly as reasonably may be, in relation to any stock and other securities and property thereafter deliverable upon the exercise of this Warrant.

(d) Holder, by accepting the benefits of this Warrant, agrees that the number of shares for which this Warrant is exercisable shall be subject to adjustment or reduction as provided in this Section 2.

3. Reservation. The Company covenants and agrees that during the Exercise Period, the Company will, at all times, have authorized and reserved solely for issuance and delivery upon the exercise of this Warrant sufficient shares of Common Stock to provide for the exercise of the purchase right represented by this Warrant.

4. Fully Paid Stock. The Company covenants and agrees that the shares of Common Stock represented by each and every certificate for its Common Stock to be delivered on the exercise of the purchase rights herein will, upon issuance, be duly authorized, validly issued and outstanding, fully paid and nonassessable and free of all issuance or transfer taxes, liens and charges with respect to the issue thereof.

5. Restrictions on Transfer. The Holder, by acceptance hereof, agrees that the transfer of this Warrant and the shares issuable upon exercise of the Warrant are, under certain circumstances, subject to the provisions of the Purchase Agreement.

6. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. In lieu of any fractional share to which the Holder would otherwise be entitled, the Company shall make a cash payment equal to such fraction multiplied by the then current Market Value of such fractional share. For purposes of this section, "Market Value" shall mean the closing sale price of one share of Common Stock on the Nasdaq Global Market ("Nasdaq") or any successor market on which the Common Stock is publicly traded on the most recent trading day preceding the Exercise Date. If the Common Stock is not traded on Nasdaq or any other public market at the time the Market Value is to be determined, the Market Value shall be determined in good faith by the Board of Directors of the Company.

7. Replacement Warrants. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue a new Warrant of like date, tenor and denomination and deliver the same in exchange and substitution for and upon surrender and cancellation of the mutilated Warrant, or in lieu of the Warrant lost, stolen or destroyed, upon receipt of evidence satisfactory to the Company of the loss, theft or destruction of such Warrant.

8. Limitation of Liability; Warrant Holder Not a Stockholder. The Company may deem and treat the person in whose name this Warrant is registered as the Holder hereof for all purposes, and shall not be affected by any notice to the contrary until proper presentation of this Warrant for registration or transfer. The Holder shall not be entitled to vote or receive dividends or be deemed the holder of the Common Stock or any other securities that may at any time be issuable on the exercise hereof for any purpose, nor shall anything contained herein be construed to confer upon the Holder, as such, any of the rights of a shareholder of the Company or any right to vote for the election of directors or upon any matter submitted to shareholders at any meeting thereof, or to give or withhold consent to any corporate action (whether upon any recapitalization, issuance of stock, reclassification of stock, change of par value, or change of stock to no par value, consolidation, merger, conveyance, or otherwise) or to receive notice of meetings, or to receive dividends or subscription rights or otherwise until the Warrant shall have been exercised as provided herein. No provision hereof, in the absence of affirmative action by the Holder to purchase Common Stock, and no mere enumeration of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any shares of Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

9. Closing of Books. Subject to the terms of this Warrant, the Company will at no time close its books against the transfer of any Warrant or any shares of Common Stock or other securities issuable upon the exercise of any Warrant in any manner which interferes with the timely exercise of the Warrant.

10. Notices. Except as otherwise expressly provided herein, any notices, consents, waivers or other communications required or permitted to be given under this Warrant must be in writing and will be deemed to have been delivered (i) upon receipt, when delivered personally;

(ii) one day after delivery by facsimile, provided confirmation of transmission is mechanically or electronically generated and kept on file by the sending party; or (iii) three business days after deposit with a nationally recognized overnight delivery service, in each case properly addressed to the party to receive the same. Any communications shall be addressed (a) to the Company, at its principal executive offices and (b) to the Holder, at the Holder's address as it appears in the records of the Company (unless otherwise indicated by the Holder).

11. Severability. Whenever possible, each provision of this Warrant shall be interpreted in such manner as to be effective under applicable law, but if any provision of this Warrant is held to be prohibited by or invalid under applicable law in any jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating any other provision of this Agreement.

12. Captions; Governing Law; Forum Selection. The descriptive headings of the various sections of this Warrant are for convenience only and shall not affect the meaning or construction of the provisions hereof. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by the laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule. Any dispute, difference, controversy or claim arising in connection with or related or incidental to a matter arising under this Warrant shall be finally settled in accordance with the forum selection provisions set forth in the Purchase Agreement.

13. Waivers and Amendments. This Warrant and any provisions hereof may be changed, waived, discharged or terminated only by an instrument in writing signed by the party against whom enforcement of the same is sought.

14. Successors. All the covenants and provisions hereof by or for the benefit of the Holder shall bind and inure to the benefit of his, her or its respective successors and assigns hereunder.

15. Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall be a Saturday or a Sunday or shall be a federal legal holiday in the United States, then such action may be taken or such right may be executed on the next succeeding day that is not a federal legal holiday in the United States.

**NATURAL HEALTH TRENDS CORP.
COMPLETES PRIVATE PLACEMENT FINANCING**

DALLAS, May 7, 2007 — Natural Health Trends Corp. (NASDAQ:BHIP) announced today that it has consummated a private placement financing generating gross proceeds of approximately \$3.0 million. The Company plans to use the net proceeds from the financing to provide additional working capital for the Company.

The financing consisted of the sale of 1,759,307 shares of the Company's Series A Convertible Preferred Stock at a price of \$1.70 per share. The preferred stock is convertible at the election of the holder into an equivalent number of shares of common stock. The financing also included the sale of warrants evidencing the right to purchase 1,759,307 shares of the Company's common stock at a purchase price of \$0.00001 per underlying share of common stock. The warrants are exercisable at any time during the period beginning six months after their issuance and ending six years following their issuance. The exercise price of the warrants varies from \$3.80 to \$5.00 per share, depending on the time of exercise. In connection with the financing, the Company agreed, subject to certain terms and conditions, to exercise its reasonable best efforts to register for resale under the Securities Act the shares of common stock issuable upon conversion of the preferred stock and exercise of the warrants.

Mr. Chris Sharng, President of Natural Health Trends Corp., said: "We are pleased that the placement is fully subscribed. Most importantly, most of the proceeds come from our own members in Greater China. We think it is strategically advantageous that more of our members align their interests with those of our stockholders. Their subscription represents their commitment to the Company and the business."

The sale of the preferred stock and warrants was made pursuant to a Stock and Warrant Purchase Agreement between the Company and each purchaser. The sale was made to qualified U.S. buyers in reliance on Regulation D under the Securities Act of 1933 and to certain non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act. Neither the preferred stock nor the warrants are registered under the Securities Act and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act and applicable state and foreign securities laws. This press release is being issued pursuant to and in accordance with Rule 135c and shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall

there be any sale of any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.
