Press Release of Natural Health Trends Corp. dated March 27,2007

#### Natural Health Trends Corp. Announces Fourth Quarter and Twelve Months 2006 Results

DALLAS, TX -- 03/27/2007 -- Natural Health Trends Corp. (NASDAQ: BHIP), an international direct-selling company, today announced its financial results for the fourth quarter ended December 31, 2006.

Sales in the fourth quarter of 2006 were \$27.7 million, compared to \$43.7 million and \$29.9 million for the fourth quarter a year ago and the third quarter of 2006, respectively. Part of this decrease of \$16.0 million from the prior year was due to sale of the Company's 51% equity interest in KGC Networks ("KGC"), effective December 31, 2005. In the fourth quarter of 2006, the Company recognized \$1.7 million of Gourmet Coffee Café<sup>TM</sup> revenue from product that was substantially shipped during 2005 but not recognized at that time due to insufficient return and warranty experience. Excluding KGC and the Gourmet Coffee Café<sup>TM</sup> revenue, the Company's sales decreased \$9.9 million, or 28%, over the comparable period in the prior year. The decline in revenue was primarily due to continued distractions and disruptions caused by the management changes of the last fifteen months as well as the members' reaction to the uncertain regulatory environment in China that is presently impacting the Hong Kong-based business. Hong Kong sales decreased \$9.6 million, or 37%, over the comparable period a year ago.

As of December 31, 2006, the Company had 96,000 active distributors, compared to 103,000 and 119,000 active independent distributors at the end of the third quarter of 2006 and at the end of 2005, respectively, excluding KGC and the Kaire subsidiaries, which were sold effective July 1, 2006. The Company considers a distributor "active" if they have placed at least one product order during the preceding year.

For the fourth quarter of 2006, the Company incurred a net loss of \$5.0 million, or \$0.61 per fully diluted share, compared to a net loss of \$5.6 million, or \$0.79 per fully diluted share, a year ago in the comparable quarter, and a net loss of \$2.5 million, or \$0.30 per fully diluted share, in the prior quarter. For the twelve months of 2006, the Company incurred a net loss of \$11.5 million, or \$1.42 per fully diluted share, compared to a net loss of \$4.9 million, or \$0.70 per fully diluted share, a year ago.

During the fourth quarter of 2006, the Company recognized the following non-recurring items which negatively impacted earnings (in millions):

Gourmet Coffee Café(TM) revenue \$ 1.7
Gourmet Coffee Café(TM) costs (1.3)
Provision for inventory losses (2.4)
Charge to vacate the Japan distributor gallery (included in SG&A) (0.9)
Intangible impairment (included in SG&A) (0.2)

Pre-tax loss impact \$ (3.1)

As of December 31, 2006, the Company's cash and cash equivalents totaled \$11.9 million, including \$4.1 million in China that may not be freely transferable to other countries because the Company's Chinese subsidiary is subject to a business license capitalization requirement. The \$11.9 million represented a decrease of \$0.2 million from the balance as of September 30, 2006.

Mr. Chris T. Sharng, the Company's President, said, "The sales environment, especially for our Hong Kong-based business, continues to be challenging. We expect the first quarter sales to be around \$20.0 million. Our top priority is to bring costs, both SG&A and commissions, in line with revenue. We are working to reduce operating costs particularly in Japan, Mexico and North America. We also plan to phase in a commission enhancement program starting from the mid-second quarter so that the payout can be more comparable to industry standards. On the revenue side, we are focusing our resources on Greater China, Korea and Europe. Finally, we target to launch a China retail portal with the objective to begin taking revenue in China by the end of the second quarter."

The Company will host a conference call at 11:30 a.m. EDT, March 28, 2007. Those who wish to participate in the conference call may telephone (866) 672-2663, pass code 8612102, 15 minutes before 11:30 a.m. EDT. If you cannot participate in the call, but wish to hear it, you may login to Natural Health Trends Corp.'s homepage at www.naturalhealthtrendscorp.com and click on the conference call 1 1/2 hours after the completion of the call.
