NATURAL HEALTH TRENDS ANNOUNCES SECOND QUARTER REVENUE ESTIMATE

DALLAS, TX, July 13, 2012 -- Natural Health Trends Corp. (OTCQB: NHTC) announced today that its estimated revenue for the quarter ended June 30, 2012 was \$11.0 million, a 52% increase over the comparable period a year ago. The Company also estimates that its deferred revenue, consisting of unshipped product and unamortized enrollment fees, at June 30, 2012 was \$1.6 million, compared to \$1.3 million at March 31, 2012. In the second quarter of 2011, revenue was \$7.2 million, with deferred revenue of \$2.7 million at June 30, 2011 and \$1.6 million at March 31, 2011. The increase year-on-year was largely due to the Hong Kong market.

For the six months ended June 30, 2012, estimated revenue is \$20.1 million, a 62% increase over the comparable period in the prior year.

These results are preliminary and have not been reviewed by the Company's independent accountants. Significant updates and revisions may be required before the release of our first quarter results in August.
