**Item 1.01 Entry Into a Material Definitive Agreement.**

Further to the stock repurchase program announced by Natural Health Trends Corp. (the “Company”) on July 28, 2015, on July 31, 2015 the Company entered into a Stock Repurchase Agreement with George K. Broady (“Broady”), the Company’s largest stockholder and a member of its board of directors (the “Stock Repurchase Agreement”). The Stock Repurchase Agreement, which the Company and Broady entered into in accordance with Rule 10b5-1 under the Securities Exchange Act of 1934, provides for the Company’s purchase from Broady of 0.4085 of the number of shares of common stock purchased by the Company’s broker in the open market under the Company’s previously announced stock repurchase program.

As a part of such stock repurchase program, the Company has entered into a Rule 10b5-1 Issuer Repurchase Plan with its broker (the “Purchase Plan”) under which the Company’s broker is authorized to purchase shares of the Company’s common stock in the open market for a total purchase price of \$3,550,000 in accordance with Rule 10b-18 under the Securities Exchange Act of 1934. The Stock Repurchase Agreement with Broady requires that the Company report to Broady on a weekly basis information regarding the broker’s open market purchases, and that the Company purchase from Broady 0.4085 of the number of shares purchased by the Company’s broker in the open market, which shares shall be purchased on a weekly basis from Broady at a per share purchase price equal to the weighted average price per share paid by the Company’s broker to purchase shares in the open market.

The Company expects to expend approximately \$5.0 million in the aggregate under the Stock Repurchase Agreement with Broady and the Purchase Plan. Although the Company has reserved the right to discontinue at any time the stock repurchase program it announced on July 28, 2105, it expects that upon completion of the purchase of shares under the stock repurchase program it will have expended approximately \$15.0 million, plus transactions costs.

This report contains “forward-looking statements” within the meaning of Section 21E of the Exchange Act. Such forward-looking statements speak only as of the date of this report and the Company undertakes no obligation to publicly update or revise any forward-looking statement, except as required by law. -

(b) Upon receipt of the Report, the Company shall promptly provide notice (and in no event no later than the end of the day on which the Company receives the Report) to Seller setting forth (i) the Purchase Information, (ii) the number of shares of Seller Stock which the Company will purchase from Seller, and (iii) the Purchase Price (as defined below) (the “Purchase Notice”). The number of shares of Seller Stock to be purchased by the Company shall be equal to equal to the product of 0.4085 times the number of shares of Common Stock purchased by the Broker as reflected in the Report (rounded up to the nearest whole share). (b) Seller has made his own investment analysis and decision to sell Seller Stock and has had the opportunity to conduct his own investigation to the extent Seller has deemed it necessary and desirable and, notwithstanding the foregoing, has determined, in consultation with counsel, that it is in Seller's best interests to sell Seller Stock to the Company at this time. Seller agrees that the Company shall not be obligated to disclose any nonpublic information it may have, or have liability with respect to such non-disclosure.

(g) Seller acknowledges that public disclosure of this Agreement or the Transactions may itself materially impact the perceived value of the Common Stock.
