PROXY STATEMENT

This proxy statement contains information related to the annual meeting of stockholders of Natural Health Trends Corp. (“the Company”) to be held on May 11, 2021 beginning at 9:00 a.m. local time, at the Company's office located at 19745 Colima Rd., Suite 8, Rowland Heights, CA 91748, and at any postponements or adjournments thereof. This proxy statement is first being made available to stockholders on or about March 19, 2021.

ABOUT THE MEETING

What is the purpose of the meeting?

At the annual meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting of Stockholders included with this proxy statement.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on March 12, 2021, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

What are the voting rights of the holders of the Company's common stock?

Each outstanding share of the Company's common stock will be entitled to one vote on each matter considered at the meeting. Cumulative voting in the election of directors is prohibited by the Company's certificate of incorporation.

Who can attend the meeting and where is it being held?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. The meeting is being held at the location identified above. To obtain directions to attend the meeting in person, please contact the Company at +852-3107-0800.

We currently intend to hold our annual meeting in person. However, we are monitoring the coronavirus (COVID-19) situation and it may become necessary or advisable to change the date, time, location and/or means of holding the annual meeting (including by means of remote communication). Any such change will be announced via press release and website posting, as well as the filing of additional proxy materials with the Securities and Exchange Commission.

Why did I initially receive a Notice of Availability of Proxy Materials instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission, we have elected to provide access to our proxy materials over the Internet to our stockholders. Accordingly, a Notice of Availability of Proxy Materials was or will be sent to many of our stockholders providing notice of the annual meeting and enabling stockholders to access our proxy materials on the website referred to in the Notice of Availability of Proxy Materials or request to receive free of charge a printed set of the proxy materials, including the Notice of Annual Meeting, our 2020 Annual Report on Form 10-K, this proxy statement and a proxy card. Instructions on how to access the proxy materials over the Internet or to request a printed copy are set out in the Notice of Availability of Proxy Materials. Those stockholders that previously requested to receive our proxy materials in printed or electronic form will receive such proxy materials in lieu of the Notice of Availability of Proxy Materials.

How can I elect the manner in which I will receive proxy materials in the future?

All stockholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis by following the instructions in the Notice of Availability of Proxy Materials. The Company encourages stockholders to take advantage of the availability of the proxy materials on the Internet in order to help reduce printing and mailing costs and any environmental impact.

How do I vote?

- By Mail: If you complete and properly sign the accompanying form of proxy card and return it to the indicated address, it will be voted as you direct.
- In Person: If you are a registered stockholder and attend the meeting, you may vote in person at the meeting. If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you must obtain a valid legal proxy from your broker, bank or other agent to vote in person at the meeting.
- Via Internet: Log on to <http://www.proxyvote.com> and follow the on-screen instructions.

Note: Please also refer to the specific instructions set forth in the Notice of Availability of Proxy Materials or, if you requested to receive our proxy materials in printed or electronic form, in the proxy materials.

How may my broker, bank or other agent vote my shares if I fail to provide timely directions?

Brokers, banks or other agents holding shares of common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker, bank or other agent will have discretion to vote your shares on the “routine” matters to be voted upon at the meeting — the proposal to ratify the appointment of Marcum LLP (Item Four). Your broker may not have discretion to vote on the election of directors (Item One), on the approval of the compensation of named executive officers (Item Two), or on the approval of the frequency of advisory votes on the compensation of named executive officers (Item Three) absent direction from you.

Can I change my vote or revoke my proxy?

Yes. You can change your vote or revoke your proxy. If you are a registered stockholder, you may revoke your proxy in any one of four ways.

- You may send a written notice that you are revoking your proxy to the Company's Corporate Secretary at the Company's principal executive offices located at Units 1205-07, 12F, Mira Place Tower A, 132 Nathan Road, Tsimshatsui, Kowloon, Hong Kong, Attention: Timothy S. Davidson.
- You may timely grant another proxy via the Internet.
- You may submit another properly completed proxy card with a later date.
- You may attend the annual meeting and vote in person. Simply attending the annual meeting will not, by itself, revoke your proxy.

Your most current proxy, whether submitted by proxy card, via the Internet or in person, is the one that is counted.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the stock outstanding on the record date will constitute a quorum, permitting the stockholders to act upon the matters outlined in the Notice of Annual Meeting of Stockholders. As of the record date, 11,422,539 shares of common stock, representing the same number of votes, were outstanding. Thus, the presence of the holders of common stock representing at least 5,711,270 shares of common stock will be required to establish a quorum.

A proxy submitted by a stockholder may indicate that all or a portion of the shares represented by the proxy are not being voted (“stockholder withholding”) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (“broker non-vote”) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. See above under the caption “How may my broker, bank or other agent vote my shares if I fail to provide timely directions?” The shares subject to a proxy that are not being voted on a particular matter because of either stockholder withholding or broker non-vote will count for purposes of determining the presence of a quorum. Abstentions are also counted in the determination of a quorum.

What are the Board of Directors' recommendations?

Unless you give other instructions on your returned proxy, the persons named as proxy holders on the proxy will vote in accordance with the recommendations of the Board of Directors. The Board of Directors' recommendations are set forth together with the description of each item in this proxy statement. In summary, the Board of Directors recommends a vote:

- *for* election of the nominated slate of Directors (see Item One);
- *for* approval of compensation of the Company's named executive officers (see Item Two);
- *for* approval of a three-year frequency of advisory votes on compensation of the Company's named executive officers (see Item Three); and
- *for* ratification of the appointment of Marcum LLP as independent registered public accounting firm for the Company for the year ending December 31, 2021 (see Item Four).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes of the shares present in person or represented by proxy and entitled to vote on the election of directors at the meeting (Item One). You may vote "for" or "withhold" on each of the nominees for election as a director. Any shares not voted "for" a particular nominee (whether as a result of "withhold" votes or broker non-votes) will not be counted in such nominee's favor and will have no direct effect on the outcome of the election.

Compensation of the Company's Named Executive Officers. The affirmative vote of holders of a majority of the shares cast in person or represented by proxy and entitled to vote at the annual meeting will be required for approval, on an advisory, non-binding basis, of the compensation of the executive officers named in the Summary Compensation Table set forth in this proxy statement (the "named executive officers") (Item Two). A properly executed proxy marked "abstain" will not be voted, although it will be counted for purposes of determining whether there is a quorum. Abstentions and broker non-votes are not considered "votes cast" on this item, and thus will not directly affect the outcome of the vote for this item.

Frequency of Advisory Votes on Compensation of the Company's Named Executive Officers. The affirmative vote of the holders of a majority of the shares cast in person or represented by proxy and entitled to vote at the annual meeting will be required for approval, on an advisory, non-binding basis, of a three-year frequency of advisory votes on the compensation of the Company's named executive officers (Item Three). A properly executed proxy marked "Abstain" with respect to Item Three will not be voted, although it will be counted for purposes of determining whether there is a quorum. Abstentions and broker non-votes are not considered "votes cast" on this item, and thus will not directly affect the outcome of the vote for this item.

Ratification of Independent Registered Public Accounting Firm. For the ratification of the appointment of Marcum LLP as independent registered public accounting firm for the Company for the year ending December 31, 2021 (Item Four), the affirmative vote of a majority of the votes cast by the stockholders present in person or represented by proxy and entitled to vote at the meeting will be required for approval. You may vote "for," "against" or "abstain" on this proposal. Abstentions and broker non-votes (to the extent applicable) are not considered "votes cast" on this item, and thus will not directly affect the outcome of the vote for this item.

What types of expenses will the Company incur?

The expense of preparing, printing and mailing proxy materials and the Notice of Availability of Proxy Materials, as well as all expenses of soliciting proxies, will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers and directors and regular employees of the Company, without additional remuneration, by personal interaction, telephone, telegraph or facsimile transmission. The Company may elect to engage a proxy solicitation firm to solicit stockholders to vote or grant a proxy with respect to the proposals contained in this proxy statement. The Company will request brokers, banks, nominees, custodians, fiduciaries and other agents to forward proxy materials to the beneficial owners of shares of common stock held of record and will provide reimbursements for the cost of forwarding the material in accordance with customary charges.

Who is the Chairman of the Board of Directors?

Mr. Mason has served as Chairman of the Board of Directors since March 2006. The Chairman of the Board of Directors organizes the work of the Board of Directors and ensures that the Board of Directors has access to sufficient information to enable the Board of Directors to carry out its functions, including monitoring the Company's performance and the performance of management. In carrying out this role, the Chairman, among other things, presides over all meetings of the Board of Directors, establishes the annual agenda of the Board of Directors, established the agendas of each meeting in consultation with the President, and oversees the distribution of information to directors.

Which directors are considered independent?

The Board of Directors has adopted the requirements in Nasdaq Marketplace Rule 5605(a)(2) as its standard in determining the "independence" of members of its Board of Directors. The Board of Directors has determined that each of the following individuals who are nominated for election as a director qualifies as an "independent director" under this standard:

Yiu T. Chan
Ching C. Wong
Randall A. Mason

Subject to applicable exemptions, the Company applies the foregoing Nasdaq standard for determining the "independence" of each member of its Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. The Board of Directors has determined that all of the members of each such Committee qualifies as "independent." Further, the Board of Directors has separately determined that each member of the Audit Committee meets the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under the Exchange Act, as required for service on the Audit Committee.

How often did the Board of Directors meet during fiscal 2020?

The Board of Directors met or acted by unanimous written consent a total of 13 times during the fiscal year ended December 31, 2020, and each director attended at least seventy-five percent (75%) of these meetings. As described below, the Company's Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee each met or acted by unanimous written consent a number of times during the fiscal year ended December 31, 2020.

What is the role of the Board of Directors' Audit, Compensation, and Nominating and Corporate Governance Committees?

Audit Committee. Mr. Mason serves as Chairman of the Audit Committee, and Messrs. Chan and Wong also serve as members of the Audit Committee. The Board of Directors has determined that each of Messrs. Mason, Chan and Wong is independent and satisfies the other criteria set forth in the Nasdaq Marketplace Rules for service on the Audit Committee. The Board of Directors has also determined that each of Messrs. Mason, Chan and Wong meets the Securities and Exchange Commission criteria of an "audit committee financial expert" and that each also meets the requirements of Nasdaq Marketplace Rule 5605 relating to financial oversight responsibility. The Audit Committee is required to meet in person or telephonically at least four times a year. The Audit Committee met or acted by unanimous written consent a total of seven times during the fiscal year ended December 31, 2020.

The functions of the Audit Committee are set forth in the Audit Committee Charter as approved by the Board of Directors and as posted on our website at www.naturalhealthtrends.com. In general, these responsibilities include meeting with the internal financial staff of the Company and the independent registered public accounting firm engaged by the Company to review (i) the scope and findings of the annual audit, (ii) quarterly financial statements, (iii) accounting policies and procedures and (iv) the internal controls employed by the Company. The Audit Committee is also directly and solely responsible for the appointment, retention, compensation, oversight and termination of the Company's independent registered public accounting firm. The Audit Committee's findings and recommendations are reported to management and the Board of Directors for appropriate action.

Compensation Committee. The Compensation Committee operates pursuant to a charter approved by the Board of Directors, a copy of which is posted on our website at www.naturalhealthtrends.com. The members of our Compensation Committee are Messrs. Chan and Wong, with Mr. Chan serving as Chairman of the Compensation Committee. Each of the members of the Compensation Committee qualifies as an "independent director" within the meaning of the Nasdaq Marketplace Rules. The Compensation Committee is charged with responsibility to oversee our compensation policies and programs, including developing compensation, providing oversight of the implementation of the policies, and specifically addressing the compensation of our executive officers and directors, including the negotiation of employment agreements with executive officers. The Compensation Committee is not authorized to delegate to another body or person any of its responsibilities (other than to a subcommittee of the Compensation Committee), although it may seek compensation-related input from the Company's management, other directors, consultants and other third parties. The Compensation Committee considers all elements of executive compensation together and utilizes the members' experience and judgment in determining the total compensation opportunity and mix of compensation elements appropriate for each executive officer in light of the Company's compensation objectives. The Compensation Committee periodically consults with our President, who makes recommendations to the Compensation Committee regarding compensation of our key employees, including that of our executive officers. Our President makes recommendations to the Compensation Committee regarding base salaries, and may recommend that the incentive compensation otherwise payable to an employee under the Company's Sales Incentive Plan, Annual Incentive Plan or 2014 Long-Term Incentive Plan be increased or decreased. Notwithstanding the President's participation in some of the Compensation Committee's activities, all compensation determinations are made by the Compensation Committee. The Compensation Committee also annually evaluates compensation to be awarded to each of its non-employee directors, with a focus on monthly cash retainer payment arrangements, as well as whether annual performance justifies the award of discretionary cash or equity bonuses. The Compensation Committee met or acted by unanimous written consent a total of two times during the fiscal year ended December 31, 2020.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee (the “Nominating Committee”) operates pursuant to a charter approved by our Board of Directors, a copy of which is posted on our website at www.naturalhealthtrends.com. The members of the Nominating Committee are Messrs. Mason, Wong and Chan, with Mr. Wong serving as Chairman of the Nominating Committee. Each of the members of the Nominating Committee qualifies as an “independent director” within the meaning of the Nasdaq Marketplace Rules. The Nominating Committee considers and makes recommendations to the Board of Directors with respect to the size and composition of the Board of Directors and identifies potential candidates to serve as directors. The Nominating Committee identifies candidates to the Board of Directors by introduction from management, members of the Board of Directors, employees or other sources and stockholders that satisfy the Company’s policy and Bylaw provisions regarding stockholder recommended candidates. The Nominating Committee does not evaluate director candidates recommended by stockholders differently than director candidates recommended by other sources. The Nominating Committee met or acted by unanimous written consent two times during the fiscal year ended December 31, 2020.

A stockholder wishing to nominate an individual for election to the Board of Directors or to otherwise submit a candidate for consideration by the Nominating Committee must comply with the advance notice provisions set forth in our Bylaws, which are generally described in this proxy statement under the caption “Additional Information—Stockholder Proposals for the 2022 Annual Meeting of Stockholders.” These provisions require the timely submission of information concerning the nominee or candidate, as well as information as to the stockholder’s ownership of our common stock.

In considering Board of Director candidates, the Nominating Committee takes into consideration the Company’s “New Director Candidates” factors (as set forth in the charter of the Nominating Committee), the Company’s policy regarding stockholder-recommended director candidates as set forth above, selection criteria recommended by stockholders, and all other factors that they deem appropriate, including, but not limited to, the individual’s judgment, skill, integrity, and experience with businesses and other organizations of comparable size, industry knowledge, the interplay of the candidates experience with the experience of the existing members of the Board of Directors, the number of other public and private company boards on which the candidate serves and diversity, of age, gender, ethnicity, and such other factors as it deems appropriate given the current needs of the Board of Directors and the Company to maintain a balance of knowledge, experience, background, and capability. At this time, the Nominating Committee does not have a specific process for assessing the effectiveness of its consideration of diversity in director candidates, but believes that the diversity reflected in the composition of its Board of Directors is appropriate given the nature of the Company’s business. For each new or vacant position on the Board of Directors, the charter of the Nominating Committee provides that the Nominating Committee shall ensure that a diverse slate of candidates is identified and evaluated. In evaluating whether an incumbent director should be nominated for re-election to the Board of Directors, the Nominating Committee takes into consideration the same factors established for other director candidates and also takes into account the incumbent director’s performance as a member of the Board of Directors.

The Nominating Committee did not receive, on or prior to the applicable annual deadline, a candidate recommendation from any stockholder (or group of stockholders) that beneficially owns more than five percent of the Company’s common stock. However, George K. Broady, who has decided not to stand for re-election to the Board of Directors at this year’s annual meeting, recommended that the Nominating Committee and the Board of Directors favorably consider the nomination of Brunde E. Broady for election to the Board of Directors at the annual meeting. Mr. Broady is the sole trustee of the George K. Broady 2012 Irrevocable Trust, which owned approximately 6.0% of the Company’s outstanding common stock as of March 12, 2021.

What is the Board of Directors’ role in risk oversight?

Our Board of Directors has responsibility for the oversight of risks that could affect the Company. This oversight is conducted primarily through the Board of Directors with respect to significant matters, including the strategic direction of the Company, and by the various committees of the Board of Directors in accordance with their charters. The Board of Directors continually works, with the input of its committees and of the Company’s management to assess and analyze the most likely areas of future risk for the Company. Directors also have complete and open access to all of our employees and are free to, and do, communicate directly with our management. In addition to our formal compliance efforts, the Board of Directors encourages management to promote a corporate culture that incorporates risk management into the Company’s corporate strategy and day-to-day business operations.

Mr. Sharnq was paid a base annual salary of \$1,000,000 in each of 2020 and 2019. Neither Mr. Sharnq nor any other Company employee was designated by the Compensation Committee to participate in the Company's Annual Incentive Plan ("Annual Plan") or 2014 Long-Term Incentive Plan (the "Long-Term Plan") in 2020 or 2019. In 2019, Mr. Sharnq received certain gross-up payments for taxes payable in connection with restricted stock grants previously made to him; however, the Compensation Committee has since determined as a general policy not to make gross-up payments to employees for income and employment taxes in the future, with respect to either past or future compensatory awards. Mr. Sharnq serves on the Company's Board of Directors, but does not receive any additional compensation for his service in that capacity.

Timothy S. Davidson. The Company is a party to an employment agreement with Mr. Davidson that provides for a base annual salary and also provides that Mr. Davidson is eligible or entitled to participate in our incentive plans (including our equity incentive plan) and other standard U.S. employee benefit programs. In 2019, Mr. Davidson received certain gross-up payments for taxes payable in connection with restricted stock grants previously made to him.

The following table provides information concerning outstanding equity awards to our named executive officers that remained subject to vesting at December 31, 2020.

Chris T. Sharnq	204,035	\$ 1,001,812
Timothy S. Davidson	78,916	\$ 387,478

(1) Shares of restricted stock granted to the named executive officers vest on a quarterly basis over the three-year period following the date of grant and are subject to forfeiture in the event of the executive's termination of service to the Company under specified circumstances.

(2) Amounts in this column are determined by multiplying the number of unvested shares of restricted stock by the closing price per share of the Company's common stock on December 31, 2020, as reported on the NASDAQ Capital Market.

Severance and Post-Termination Payment Arrangements

A primary feature of the Company's employment agreements with its named executive officers provides compensation to the named executive officer in the event of the termination of the executive's employment under certain circumstances. The employment agreements provide that if the executive's employment with the Company is terminated voluntarily by him for "good reason," or is terminated by the Company without "cause," other than in connection with a "change of control," then the executive will be entitled to the continuation of the payment of his salary, plus health and medical insurance coverage, for a period of up to one year following the termination date, or until the earlier date upon which he becomes engaged in any "competitive activity" (as defined in a separate non-competition agreement) or otherwise breaches the terms and conditions of such agreement. These severance provisions are intended to compensate the executive until he is able to secure another source of income. In the event the executive's employment with the Company is terminated by the Company, or its successor in a change of control transaction, without "cause" during the period commencing on the date that is 30 days prior to a change of control through and including a date that is 18 months following the change of control, he is entitled to a payment equal to two years of his salary (plus health and medical insurance coverage costs). This payment is due in a lump sum 30 days after the termination date. These change of control features in the employment agreements are referred to as "double trigger" severance arrangements. This means that no severance compensation will become payable to a named executive officer only because of the occurrence of a change of control of the Company. Instead change of control severance compensation will only be payable if, within 30 days prior to a change of control through and including a date that is 18 months following the change of control, there is also a termination of the executive's employment without "cause." These change of control severance provisions are intended to (i) preserve morale and productivity and encourage retention of the executive in the face of the disruptive impact that a change of control of the Company is likely to have, and (ii) encourage the executive to remain focused on the business and interests of the Company's stockholders when considering strategic alternatives that may be beneficial to those stockholders.

The named executive officers also participate in the Annual Plan and Long-Term Plan in some years (collectively, the "Incentive Plans"). Under the terms of the Incentive Plans, if a participant separates from service for any reason other than on account of a "Qualifying Termination Event," any award granted to the participant that remains undistributed shall be immediately and irrevocably forfeited in full. A "Qualifying Termination Event" is defined under the Incentive Plans to include a participant's separation from service from the Company on account of death, due to disability, involuntarily for a reason other than for cause, voluntarily for good reason, due to retirement, or upon a change in control termination. If a participant experiences a separation from service with the Company due to a Qualifying Termination Event and the performance goals relating to an award for a prior performance period have been satisfied but the proceeds of such award remained undistributed, then the Company must pay such undistributed proceeds to the participant in a single lump sum, net of applicable withholding and other taxes, within two and one-half months following the participant's separation from service and as soon as administratively practicable. These provisions in the Incentive Plans are designed to provide the named executive officers and other participants in such plans with a greater degree of certainty that if the performance goals under an Incentive Plan are achieved, then the participants will ultimately receive the entire amount of incentive compensation earned under the Incentive Plan notwithstanding the occurrence of largely unforeseeable events over which the participants may have little or no control. Finally, the Incentive Plans also provide that if, in connection with a change in control, an excise tax under Section 4999 of the Internal Revenue Code would be imposed upon a participant in connection with an award under an Incentive Plan, then the Company shall pay to the participant an additional amount (the "Excise Gross-Up Payment") such that the net amount retained by the participant, after deduction of any excise tax and any federal, state or local income tax and any excise tax upon the Excise Gross-Up Payment, shall be equal to the amount that would have been distributable under the Incentive Plan as described above but for the application of Section 4999 of the Internal Revenue Code.

The named executive officers currently hold shares of restricted stock issued pursuant to, and may in the future receive additional equity awards granted under, the Company 2016 Equity Incentive Plan (the "Equity Plan"). The related restricted stock agreements to which the named executive officers are parties provide that if any such officer's employment with the Company (or provision of services as a non-employee director) terminates, then any unvested shares of restricted stock shall be forfeited. Notwithstanding the foregoing, such restricted stock agreements provide for the acceleration of vesting of the restricted stock in the event of the executive's death or disability, or in the event the Company experiences a change in control. In such event, the Compensation Committee, in its sole discretion, may elect to pay the named executive officer tax gross-up payments designed to cover all income and employment taxes associated with the vesting of the restricted stock.

ITEM TWO

ADVISORY VOTE ON COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") provides that the Company's stockholders vote to approve, on an advisory (non-binding) basis, the compensation of the Company's executive officers named in the Summary Compensation Table set forth in this proxy statement, as disclosed in accordance with the rules of the Securities and Exchange Commission.

The compensation of such named executive officers is described in this proxy statement under the caption "Compensation of Named Executive Officers and Directors." The Company's executive compensation practices are designed to attract, retain and motivate executive talent, including its named executive officers, who are critical to the Company's success. The Company is committed to sound executive compensation and corporate governance principles, working to ensure that its practices protect and further the interests of stockholders.

The Board of Directors is requesting your advisory vote on the following resolution:

"Resolved, that the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the executive compensation tables and narrative discussion, is approved."

The Board of Directors recommends that stockholders vote "FOR" the approval of the compensation of the Company's named executive officers. Unless marked to the contrary, proxies received from stockholders will be voted "FOR" the approval of the compensation of the Company's named executive officers.

Note: The Company is providing this advisory vote as required pursuant to Section 14A of the Exchange Act (15 U.S.C. 78n-1). The stockholder vote will not be binding on the Company or the Board of Directors, and it will not be construed as overruling any decision by the Company or the Board of Directors or creating or implying any change to, or additional fiduciary duties for the Company or the Board of Directors. The Company currently seeks stockholder approval of the compensation of the Company's named executive officers once every three years. If the Company's stockholders vote pursuant to Item Three below that stockholder approval of the compensation of the Company's named executive officers shall continue to be sought once every three years, the next such stockholder vote will occur in 2024.

ITEM THREE

ADVISORY VOTE ON FREQUENCY OF ADVISORY VOTES ON COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Company is requesting your advisory (non-binding) vote on whether an advisory vote of stockholders to approve the compensation of the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, should take place every three years, every two years or every year. For the reasons explained below, the Company is recommending that this advisory vote take place every **THREE YEARS**.

The Company believes that having an advisory vote on executive compensation every three years would comply with regulatory requirements and minimize the expenses associated with conducting advisory votes.

The Board of Directors recommends that stockholders vote "FOR" a three-year frequency of advisory vote on compensation of the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission. Unless marked to the contrary, proxies received from stockholders will be voted "FOR" a three-year frequency of advisory vote on compensation of the Company's named executive officers.

Note: The Company is providing this advisory vote as required pursuant to Section 14A of the Exchange Act (15 U.S.C. 78n-1). The stockholder vote will not be binding on the Company or the Board of Directors, and it will not be construed as overruling any decision by the Company or the Board of Directors or creating or implying any change to, or additional fiduciary duties for the Company or the Board of Directors.

ITEM FOUR

RATIFICATION OF APPOINTMENT OF MARCUM LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2021

The Audit Committee has appointed Marcum LLP (“Marcum”) as the Company’s independent registered public accounting firm to perform an audit of its consolidated financial statements for fiscal year ending December 31, 2021.

The Audit Committee is directly responsible for the appointment and retention of the Company’s independent registered public accounting firm. Ratification by stockholders of the appointment of Marcum is an advisory matter that is not binding on the Company because it is not required by the Company’s organizational documents or applicable law. Nevertheless, the Audit Committee has determined that requesting ratification by stockholders of its appointment of Marcum as the Company’s independent registered public accounting firm is a matter of good corporate practice. If the Company’s stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Marcum, but may still determine to retain them. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

The policy of the Company’s Audit Committee is to pre-approve all audit and permissible non-audit services to be performed by the Company’s independent registered public accounting firm during the fiscal year. Before engaging an independent registered public accountant firm to render audit or non-audit services, the engagement is approved by the Company’s Audit Committee or the engagement to render services is entered into pursuant to pre-approval policies and procedures established by the Audit Committee.

Representatives of Marcum are not expected to be present at the annual meeting and therefore will not have the opportunity to make a statement or be available to respond to questions.

The Board of Directors recommends that stockholders vote “FOR” the ratification of the appointment of Marcum LLP as the Company’s independent registered public accounting firm for fiscal year ending December 31, 2021. Unless marked to the contrary, proxies received from stockholders will be voted “FOR” the ratification of the appointment of Marcum LLP as the Company’s independent registered public accounting firm for fiscal year ending December 31, 2021.

ADDITIONAL INFORMATION

Stockholder Proposals for the 2022 Annual Meeting of Stockholders

Under Securities and Exchange Commission rules, if a stockholder wants us to include a proposal in our proxy statement and form of proxy for our 2022 annual meeting of stockholders, our Corporate Secretary must receive the proposal at our principal executive offices by November 19, 2021. Stockholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of applicable securities laws. The submission of a stockholder proposal does not guarantee that it will be included in our proxy statement.

Under our Bylaws, stockholders must follow certain procedures and meet various requirements to nominate a person for election as a director or to introduce an item of business at our annual meeting. Under these procedures and requirements, stockholders must submit the proposed nominee or item of business by delivering a notice addressed to our Corporate Secretary at our principal executive offices. We must receive notice as follows:

- Normally we must receive notice of a stockholder's intention to introduce a nomination or proposed item of business for an annual meeting not less than 90 days nor more than 120 days before the first anniversary of the previous year's annual meeting of stockholders. Accordingly, a stockholder who intends to submit a nomination or proposal for our 2022 annual meeting must do so no later than February 10, 2022.
- However, if we hold our 2022 annual meeting on a date that is more than 30 days before, or more than 70 days after, the anniversary date of our 2022 annual meeting of stockholders, we must receive the notice no later than the close of business on the 10th day following the day on which public announcement of the date of such annual meeting is first made.
- A stockholder's submission must include certain specified information concerning the nominee or proposal, as the case may be, as well as information as to the stockholder's ownership of our common stock. Nominations or proposals not meeting these requirements will not be considered at our 2022 annual meeting.
- If a stockholder does not comply with the requirements of this advance notice provision, the proxies may exercise discretionary voting authority under proxies it solicits to vote in accordance with their best judgment on any such nomination or proposal submitted by a stockholder, if presented at the meeting.

To make any submission or to obtain additional information as to the proper form and content of submissions, stockholders should contact our Corporate Secretary, Timothy S. Davidson, in writing at Units 1205-07, 12F, Mira Place Tower A, 132 Nathan Road, Tsimshatsui, Kowloon, Hong Kong.

HOUSEHOLDING INFORMATION

Unless the Company has received contrary instructions, the Company may send a single copy of its proxy materials (including the Notice of Annual Meeting, Annual Report on Form 10-K, this proxy statement and the proxy card) or Notice of Availability of Proxy Materials to any household at which two or more stockholders reside if the Company believes the stockholders are members of the same family. This process, known as "householding," reduces the volume of duplicate information received at any one household and helps to reduce the Company's expenses. However, if stockholders prefer to receive multiple sets of proxy materials or Notices of Internet Availability at the same address this year or in future years, the stockholders should follow the instructions described below. Similarly, if an address is shared with another stockholder and together both of the stockholders would like to receive only a single set of the Company's proxy materials or Notice of Availability of Proxy Materials, the stockholders should follow these instructions:

If the shares are registered in the name of the stockholder, the stockholder should contact the Company at its offices at Units 1205-07, 12F, Mira Place Tower A, 132 Nathan Road, Tsimshatsui, Kowloon, Hong Kong, Attention: Timothy S. Davidson, or by telephone at +852-3107-0800, to inform the Company of its request. If a broker, bank or other agent holds the shares, the stockholder should contact the broker, bank or other agent directly.
